Atomic Habits Jun 11 2021 The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Classroom Community Builders Dec 05 2020 Students thrive in classrooms where they feel safe, welcome, and supported. Building a sense of community and teamwork is an effective means of facilitating student success. Burns skillfully blends community-building activities with real classroom content, providing students with opportunities to practice language skills while acclimating to the classroom. While intended primarily for language arts and English as a second language classrooms, Burns' s activities readily adapt to a range of disciplines and age groups. Beginning with a section on setting classroom and instructor expectations, Burns moves on to team-building exercises focused on lesson content. His section on getting-to-know-you activities is designed to foster a sense of belonging, while the five get-to-know-your-teacher exercises introduce you to your students in a fun, relaxed manner. Supported by information on material requirements, time limits, and resources, Classroom Community Builders provides handouts and worksheets, available both within the book and online, offering new ideas to experienced and novice instructors alike.

[Pocket Book of Hospital Care for Children](#) Jan 18 2022 The Pocket Book is for use by doctors nurses and other health workers who are responsible for the care of young children at the first level referral hospitals. This second edition is based on evidence from several WHO updated and published clinical guidelines. It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines. In some settings these guidelines can be used in any facilities where sick children are admitted for inpatient care. The Pocket Book is one of a series of documents and tools that support the Integrated Management.

Snoopy and Woodstock: Best Friends Aug 01 2020 Sixty years after the debut of the Peanuts® comic strip, this kit commemorates the enduring friendship of Snoopy and Woodstock. They share a love of ice hockey, ice cream, and so much more. Woodstock chirps out birdspeak, a one-of-a-kind language that Snoopy is fortunate enough to understand, so they can communicate in a very special way. It' s kind of like that with your own best friend, isn' t it? This is a perfect gift for the Peanuts fan or anyone with whom you share that exclusive bond called friendship. The kit includes bendable figurines of Snoopy and Woodstock and a 32-page guide to maintaining the perfect friendship.

Creative Revolution Apr 09 2021 Painting can be so much more than a mere hobby - it can be a vehicle transforming your mind, body, and spirit! Painting and bravely embracing the challenges of creativity sparks a revolution that involves heart, creativity, courage, and trust! Artistic pursuits such as painting have the power to soothe, heal, and connect a person to their truest self. For author Flora Bowley, making art and expressing herself creatively have always served as potent forms of personal evolution and holistic healing. Creative Revolution is the reader's key to unlocking the door to their own personal journey while making beautiful art. Creative Revolution is the culmination of Flora's life's work as an artist, offering guidance for others to embrace their authentic selves through paint. She has taught more than sixty workshops since she wrote her first book, Brave Intuitive Painting, and has witnessed miraculous things when people engage with the intuitive painting process. Creative Revolution is the next best thing to taking a course from Flora. Many readers and students can't help but exclaim, "This was about so much more than painting!" After reading Creative Revolution, readers will have a deeper connection to their intuition, increased confidence to make bolder choices, freedom to let go and explore various options, an understanding that everything is transformable, the trust that it will all work out in the end, and a renewed sense that creating can be fun and playful. All of this powerful transformation begins with paint. Flora has been writing and reflecting on these transformational aspects of the creative process for years. Creative Revolution is an insightful and practical guide for realizing the transformational power of fully embracing your creativity.

The Subtle Art of Not Giving a F**k Jan 26 2020 #1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we' ve been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let' s be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn' t sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let' s-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and

accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

Imperial China Jun 18 2019 Explore the long and rich history of China's great dynasties. From the clans and legends of prehistory to the last Qing emperor, this book brings China's imperial history to life through its pivotal events, political forces, and powerful people, in a stunning collaboration between British and Chinese publishing houses. Covering more than 5,000 years of history and featuring images of artifacts not previously seen outside of China, this definitive visual guide will captivate readers with the key events that shaped Chinese history and laid the foundations of the modern nation. Starting with prehistory and early humans, Imperial China sets the scene for the arrival of China's first dynasty and reveals how the warring states of early China gave birth to the emperor-led dynasties - and China's long imperial age. With illuminating features on important historical figures, cultural achievements, and philosophy - such as the rise of Confucianism and the silk and tea trades - Imperial China explores how the Chinese empire flourished and declined over the course of two millennia - from the unifying "first emperor" of the Qin and the golden ages of Tang and Song, to the final fall of the Manchu Qing dynasty. With stunning photography of art and artifacts to bring key events to life, this exquisite and comprehensive history is ideal for anyone who wants to learn more about China's extraordinary heritage.

She Reads Truth Oct 15 2021 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find

permanent in a world that 's passing away.
