Homemade for Hamsters Jul 24 2019 "Homemade for Hamsters" features 20 easy projects for creating toys and exercise equipment for a hamster (and guinea pigs, small rabbits, gerbils, and pet rats and mice, too). The projects use materials and tools commonly found around the home. Treats may also be used and the book includes a list of those that are safe and not safe for a hamster. The 20 projects are grouped according to the type of activities that hamsters enjoy and that enrich their life. Simple text explains how the projects meet these needs and how some just provide fun. The Nibble Necklace, for example, gives a hamster a chewing workout, and it is great for climbing and swinging, too. The Maze simulates a wild hamster's search for food. Making the projects and understanding their benefits will help a child to bond with their pet and commit to its care. The projects are: Running Projects -- Wheel, Tunnels, Amazing Mazes, Obstacle Course Climbing Projects -- See Saw Tube, Climbing Wall with Ladder, Treehouse, Platform and Ramp, Swing, Bendy Bridge Digging Projects -- The Sand Bath, Miniature Landscape with Digging Pit, Digging Tower Chewing Toys -- Walnut Shell Toy, Treat Tubes, Treat Ball, Nibble Necklace Resting Toys -- Hideaway Caves, Hammie Hill Hideout, Castle, Round House. Any and all hamster owners, regardless of age, will enjoy making these great projects as much as they will enjoy watching their pet having fun and staying fit and healthy.

Four Otters Toboggan Oct 19 2021 Water wakes. Wildlife greets the day and finds shelter, safety, and fun on the river in this lyrical, ecologically oriented counting book. One willow flycatcher, two dragonflies, three kit foxes, and more thrive in their habitat. As kids count, the day turns from dawn to dusk, and the character of the water changes as quickly as a child's moods. Animals sing, leap, tiptoe, toboggan, hoot, hunt, flit, flutter, and hover. They ride out a storm, bask in waning rays, and tuck in under the silver moon. Filled with modern wood engravings, Four Otters Toboggan

celebrates wild beauty, encouraging readers of all ages to preserve and cherish our planet. After the story is finished, children can read more about each species in the back of the book, conservation efforts, what causes animals to become endangered, and what people can do to protect wild habitats.

Unlikely Loves Jun 02 2020 Unlikely Friendships is the phenomenal New York Times bestseller that's spent 44 weeks on the list and has 615,000 copies in print. It's struck a chord with media, from CBS This Morning to USA Today, and Temple Grandin has praised it as "amazing. It shows the power of friendship." Now its author, Jennifer Holland, who writes about animal relationships with insight, compassion, and a fine narrative touch, explores animal attachments that, in human terms, can only be called love. Packed with beautiful, breathtaking full-color photographs, Unlikely Loves is a celebration of love between species. Here are stories of parental love, like the Dalmatian who mothers a newborn lamb—a lamb that just happens to be

white with black spots! Stories of playful love, including the fox and the hound who become inseparable. And stories of orphaned animals who have found family-like ties in unexpected combinations, like the elephant who's bonded with sea lions, goats, and other animals in her walks around the Oregon Zoo. Ms. Holland has interviewed scientists, zoologists, and animal caretakers from around the world, tracking down firsthand sources and eyewitnesses. The stories are written with journalistic integrity and detail—and always filled with the author's deep affection for her subjects.

Fat Cat Art Mar 31 2020 "It's official. That thing that classic art has been missing is a chubby reclining kitty." —The Huffington Post Internet meme meets classical art in Svetlana Petrova's brilliant *Fat Cat Art*. Featuring her twenty-two-pound, ginger-colored cat Zarathustra superimposed onto some of the greatest artworks of all time, Petrova's paintings are an Internet sensation. Now fans will have the ultimate full-color collection of her work, including several never-before-seen pieces, to savor for themselves or to give as a gift to fellow cat lovers. From competing with Venus's sexy reclining pose (and almost knocking her off her chaise lounge in the process) in Titian's *Venus of Urbino*, to exhibiting complete disdain as he skirts away from God's pointing finger in Michelangelo's *Creation of Adam*, Zarathustra single-handedly rewrites art history in the way that only an adorable fat cat can.

*Unlikely Friendships* May 26 2022 The "irresistible" New York Times bestseller that "features heartwarming stories of interspecies love and adorable photographs" (*The New York Times Book Review*). Written by National Geographic magazine writer Jennifer Holland, *Unlikely Friendships* documents one heartwarming tale after another of animals who, with nothing else in common, bond in the most unexpected ways. A cat and a bird. A mare and a fawn. An elephant and a sheep. A snake and a hamster. The well-documented stories of Koko the gorilla and All Ball the kitten; and the hippo Owen and the tortoise Mzee. And almost inexplicable stories of predators befriending

prey—an Indian leopard slips into a village every night to sleep with a calf. A lioness mothers a baby oryx. Holland narrates the details and arc of each story, and offers insights into why—how the young leopard, probably motherless, sought maternal comfort with the calf, and how a baby oryx inspired the same mothering instinct in the lioness. Or, in the story of Cashew, the lab mix that was losing his eyesight, and Libby, the stray cat who began to guide the dog's way through the house and yard. With Libby, Cashew lived out his last few years with loving support and a lasting friendship. These are the most amazing friendships between species, collected from around the world and documented in a selection of full-color candid photographs. "The feel-good book of the summer—maybe the year—may very well be *Unlikely Friendships*." —USA Today "With aww-inducing photographs, the book highlights the most improbable animal connections." —National Geographic

*The Natural World* Apr 12 2021 The product of over 20 years of panoramic work, this large format book encompasses Earth's iconic wild places while exposing some of the lesser-known landscapes of our planet. The photographs span six continents and range the extremes of Earth, capturing a range of wonders: poetic Antarctic landscapes, sweeping images of the remote Denali Range, and the unparalleled beauty of Namibia's Sossuvlei. Mangelsen's images capture both an intimate and far-reaching look into the natural world that has inspired artists and adventurers for centuries.

Dog owners everywhere have found their outlet in *Dog Shaming*, where they can confess their dogs' biggest (and often grossest!) sins, which turn out to be recognizably universal—complete with snapshots of ridiculously cute but shamed pups who don't seem capable of humping humans, pooping on pillows, or snagging steak straight from a grill. So share in the shaming and laugh through your frustration as *Dog Shaming* reminds us that unconditional love goes both ways.

Texts from Mittens Nov 07 2020 Texts from Mittens is a series of text message conversations between a snappy, self-absorbed housecat named Mittens and his long-suffering human, a single woman who works away from home during the day. Mittens relentlessly hassles his human all day long, while only taking breaks to watch Judge Judy, hang with his best friend Stumpy, complain about the antics of Drunk Patty the neighbor, ask Grandma for money to buy useless items from QVC, and harass the "filthy beast" dog, Phil. Angie Bailey is an award-winning writer and blogger, humorist, and professional member of the Cat Writers' Association. Her primary blog, Catladyland, has won many awards, and her humor writing is featured nearly daily on Catster.com, one of the most popular cat sites on the Web. She loves to photograph her cats in silly poses and sleeps with one eye open. And yes, she has three cats. "Each installment of Texts From Mittens is like a little gift to brighten your day!" –Kate Benjamin, Hauspanther founder and co-author of Catification with Jackson Galaxy "Texts From Mittens makes me wish my cat had thumbs! This is a hilarious book; Angie Bailey has done it again!" –Jeremy Greenberg, Author of Sorry I Barfed on Your Bed "We all knew that cats were hilarious, but Ms. Bailey's sardonic cat quips really take their mannerisms, attitude and occasional apathy to another level." –Susan Michals, Curator of Cat Art Show Los Angeles Come home! There's an emergency! What?? Are you OK? My dish is half empty! I'll be home soon. You wish starvation upon me! Stop being dramatic. Am weak. Can hardly type. Are you going to wear those black pants on your bed? Yes. I have a date. They're comfortable. Mittens, get off my pants! FYI: Poly-blend makes your butt look big

Texts from Dog May 02 2020 He's a dog with a phone . . . My dog sends me texts. Yeah. It's weird. When October Jones figured out he could send text messages to himself on his mobile phone, he naturally decided that the best use of this discovery was to send passive-aggressive messages to himself under the guise of his bulldog. And so the exasperating, slightly delusional, and utterly endearing Dog and his alter-ego, BatDog, were born.

*Texts from Dog* features Dog's attempts to keep the neighborhood safe from the likes of Mr. Postman and his arch-nemesis Cat-Cat—he has managed to only smash three TVs and a patio door in the process. And in between crime fighting sprees and run-ins with the squirrel mafia, there are romantic interludes with pillows, fetch sessions gone terribly awry, and the abusive banter only a bromance between man and his text-savvy dog can spawn. For those of us who have ever had a conversation with a pet in our heads, *Texts from Dog* will make you laugh out loud and perhaps even make you think twice about leaving your pet home alone for the day.

*Thoughts of Dog* Mar 24 2022 Based on the beloved Twitter sensation, *Thoughts of Dog* contains never-before-seen, sweet and funny reflections on life from the pup-spective of a goooob dog, who, above all else, loves their human. Join a dog and their stuffed "fren" sebastian as they navigate life's adventures through the most wholesome lens imaginable. The mastermind behind *WeRateDogs*, Matt Nelson, expands the *Thoughts of Dog* universe born on social media with his new book for anyone looking for a smile.

*Yoga Cats* Dec 09 2020 We humans have never been crazier about our cats. And yoga just keeps getting bigger every year. So what happens when you combine cats and yoga? The best of everything and then some! Just seeing a cat makes us feel good, but seeing a cute kitty doing Warrior III? How can you not smile? *Yoga Cats* remind us of the basic principles of yoga: follow your breath; be present; feel connection to our living world... and don't forget to get in touch with your inner kitty!

*Underwater Puppies* Jun 14 2021 The world fell in love with swimming canines in Seth Casteel's first book, *Underwater Dogs*. Now, in more than 80 previously unpublished portraits of underwater puppies, we see man's best friends at their most playful and exuberant. Each vibrant and colourful underwater image shows off the wild and sublime range of emotions of puppies, cute and irresistible to the very last.

*The Encyclopaedia Britannica* Nov 27 2019 This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

*Yoga Dogs* Nov 19 2021 Learn how to sit, stay, and roll over with this fully illustrated, "delightful" guide to yoga starring man's best friend (*Shutterbug* magazine). Inspired by a friend's mastiff who would imitate his master's morning yoga routine, photographer Dan Borris created *Yoga Dogs*, a full-color collection of forty-five different dogs and puppies doing human yoga poses. Don't worry: No animals were harmed during the making of these images; their extreme flexibility is the result of clever digital trickery. The curious, humorous, and distinctly original pictures are paired with useful information about the poses, as well as some funny canine meditations. "A fresh and highly entertaining visual treat," *Yoga Dogs* is perfect for any yogi of the two or four-legged variety (*Shutterbug* magazine).

*Charley Harper's Animal Alphabet* Oct 26 2019 More than 45 animals, delightfully depicted by Charley Harper, shine from the pages of this board book. Rhyming text by Zoe Burke names them all in read-aloud-fun fashion.
