The Academy - The Healing Power of Sugar Sep 21 2019 From USA TODAY Bestselling Author, C. L. Stone, read *The Healing Power of Sugar*, the ninth book in *The Academy Ghost Bird Series*. It's been a week since Sang has attended any classes at Ashley Waters, and since then, everything has changed. Her school schedule has been turned upside down, and now, thanks to her absences, the school counselor, Ms. Wright, has suspended her. The fear of school officials getting further involved and looking to contact her parents has Sang and the boys forced into their best behavior. It seems that the once perfect student, Sang Sorenson, is now one of the school's worst, and without explanation, because she needs to keep her lips tightly sealed. Academy secrets are becoming hazardous to keep. The more that Kota, Victor, Silas, Nathan, Gabriel, Luke and North try to protect her, the more inevitable her downfall seems to be. They do their best to make sure Sang stays in school and when she returns to classes, try to help her get back on the straight and narrow—she can't afford to screw up anymore. But then fate deals out a setback that cripples the whole team, and they need to make a move, it turns into a risky one. There's no way to predict the outcome. If they fail, the boys may lose the job they were sent to do, and worse, they may even lose Sang. Everything gets more difficult when it's revealed there might be a traitor amidst the group. Desperate to fix things, Sang needs to stop the group from spilling secrets and find out the truth. And why all fingers seem to be pointing to Luke. *The Academy*, Magnanimous

Martyr of a Sugar Country Oct 03 2020 *Martyr of A Sugar Country* By: George Faoye *Martyr of A Sugar Country* is the adapted biography of a victim of the Biafran-Nigerian Civil war in the 1960's and how she was the product of a bigoted, tribalistic and flawed society. Based on an untold true story during and after the Nigeria – Biafra civil war. The story spans from 1967 to 1975. It is the story of a Biafran girl, Adaora Ekekwe, from Nsukka who fell in love with a Nigerian soldier, Hussain. Adaora, who was meant to further her studies in America, had her hopes and dreams dashed with the emergence of the war a day before she leaves for Lagos with her father. Adaora later falls in love with Hussain which was not accepted by the people closest to her. Adaora's story takes many twists and turns as she chases love, safety, and happiness. She soon realizes that not everyone has her best interests at heart, and that the people that love her know what is best for her. *Martyr of A Sugar Country* is a story about love, friendship and survival. It is a story of the residues wars leave behind and Adaora lived every bit of it.

How to Reduce Your Child's Sugar Intake Sep 02 2020 Sugar is everywhere. Do your children beg you to buy unhealthy sugary snacks at the supermarket, and kick up a tantrum if you refuse? Perhaps you crave sweet treats, bread, pasta and sauce-laden food yourself. Do you notice lethargy and mood swings in your children as a result of blood glucose spikes and dips? If the answer to any of these questions is yes, your family's health is at risk. Dr Val Wilson can help. Having lived with Type 1 diabetes for more than four decades, her relationship with sugar has at times been very unhealthy, but today she is well in control of her sugar intake. *How to Reduce Your Child's Sugar Intake* is packed with recent scientific research and nutritional information to help you understand addiction to sugar and conquer it. It provides simple, actionable advice and delicious recipes to help you break free from the mental, physical and emotional traps of old eating patterns. This book shows the way to a sustainable, healthy lifestyle. It will enable you and your family to enjoy dramatically improved health and mood, increased energy levels and weight loss.

The Case Against Sugar Dec 17 2021 From the best-selling author of *Why We Get Fat*, a groundbreaking, eye-opening exposé that makes the convincing case that sugar is the tobacco of the new millennium: backed by powerful lobbies, entrenched in our lives, and making us very sick. Among Americans, diabetes is more prevalent today than ever; obesity is at epidemic proportions; nearly 10% of children are thought to have nonalcoholic fatty liver disease. And sugar is at the root of these, and other, critical society-wide, health-related problems. With his signature command of both science and straight talk, Gary Taubes delves into Americans' history with sugar: its uses as a preservative, as an additive in cigarettes, the contemporary overuse of high-fructose corn syrup. He explains what research has shown about our addiction to sweets. He clarifies the arguments against sugar, corrects misconceptions about the relationship between sugar and weight loss; and provides the perspective necessary to make informed decisions about sugar as individuals and as a society.

Cuban Counterpoint, Tobacco and Sugar Dec 05 2020 First published in 1940 and long out of print, Fernando Ortiz's classic work, *Cuban Counterpoint* is recognized as one of the most

important books of Latin American and Caribbean intellectual history. Ortiz's examination of the impact of sugar and tobacco on Cuban society is unquestionably the cornerstone of Cuban studies and a key source for work on Caribbean culture generally. Though written over fifty years ago, Ortiz's study of the formation of a national culture in this region has significant implications for contemporary postcolonial studies. Ortiz presents his understanding of Cuban history in two complementary sections written in contrasting styles: a playful allegorical tale narrated as a counterpoint between tobacco and sugar and a historical analysis of their development as the central agricultural products of the Cuban economy. Treating tobacco and sugar both as agricultural commodities and as social characters in a historical process, he examines changes in their roles as the result of transculturation. His work shows how transculturation, a critical category Ortiz developed to grasp the complex transformation of cultures brought together in the crucible of colonial and imperial histories, can be used to illuminate not only the history of Cuba, but, more generally, that of America as well. This new edition includes an introductory essay by Fernando Coronil that provides a contrapuntal reading of the relationship between Ortiz's book and its original introduction by the renowned anthropologist Bronislaw Malinowski. Arguing for a distinction between theory production and canon formation, Coronil demonstrates the value of Ortiz's book for anthropology as well as Cuban, Caribbean, and Latin American studies, and shows Ortiz to be newly relevant to contemporary debates about modernity, postmodernism, and postcoloniality.

Sugar Mountain Mar 28 2020 A NOVEL SET DURING A PANDEMIC WHICH STARTED IN CHINA AND EXPLORES WHAT IT TAKES TO SURVIVE AGAINST ALL ODDS. THIS VERSION WRITTEN IN 2013, MAKES ONE FEAR HOW PEOPLE MIGHT REACT IF THE CORONAVIRUS, COVID-19, TODAY GOT WORSE, RATHER THAN BETTER. Set in the near future, *Sugar Mountain* is a saga about the struggles of an extended family to survive a lethal avian flu pandemic. Within days, the world changes radically and forever as the infrastructure of civilized life crumbles. In short order, there exists no power grid, no internet, no media, no medical facilities, dwindling supplies of food, and, for most people, very little hope. A committed pacifist, Cyrus Arkwright has been preparing for several years to make *Sugar Mountain*, his ancestral farm located in western Massachusetts, into a self-sustaining haven for his extended family. He is, in the modern parlance, a "prepper," one of the growing number of Americans (that range from the militant right to the communal left) who are getting ready for some kind of apocalypse. As the family in-gathers during that calamitous May when a deadly form of H5N1 begins its destruction of the human world, the Arkwrights are not only besieged by pleas from friends and loved ones, but realize they are vulnerable to the violence and lawlessness that is spreading with a contagion of its own. Having laid in supplies, devised basic systems, and established a self-sustaining farm, Cyrus, his wife Grace, and their three sons and their families become prime targets in a ravaging world. As national, state, and local governments shrivel to all but non-existence, it falls to son Jack, an Army Ranger veteran, to organize the defense of *Sugar Mountain*. It is Jack, over the protests of his father, who earlier acquired a store of weapons and now teaches the others how to use them. The principal threat to the refuge arises in the form of the McFerall brothers. Men in their late fifties, Duncan and Bruce live with their families in a hollow several miles from the Arkwright refuge. For more than a century there has been a festering feud between the two families as to the ownership of *Sugar*

Mountain. Empowered by the possession of stolen antiviral medicines and as a member of the National Guard, Duncan is in a position to command weapons and men. In the guise of suppressing “terrorism,” the brothers launch a systematic campaign of attacking and taking farmsteads in which they place their retainers. Sugar Mountain is high on this list. In its situations, in its characters, Sugar Mountain explores the human species in extremis—that is, in those conditions that existed through most of our evolutionary history.

Queen Sugar Dec 25 2019 The inspiration for the acclaimed OWN TV series produced by Oprah Winfrey and Ava DuVernay "Queen Sugar is a page-turning, heart-breaking novel of the new south, where the past is never truly past, but the future is a hot, bright promise. This is a story of family and the healing power of our connections—to each other, and to the rich land beneath our feet." —Tayari Jones, author of *An American Marriage* Readers, booksellers, and critics alike are embracing Queen Sugar and cheering for its heroine, Charley Bordelon, an African American woman and single mother struggling to build a new life amid the complexities of the contemporary South. When Charley unexpectedly inherits eight hundred acres of sugarcane land, she and her eleven-year-old daughter say goodbye to smoggy Los Angeles and head to Louisiana. She soon learns, however, that cane farming is always going to be a white man’s business. As the sweltering summer unfolds, Charley struggles to balance the overwhelming challenges of a farm in decline with the demands of family and the startling desires of her own heart.

Sugar May 22 2022 20th Anniversary Edition—with a New Foreword by Kimberly Elise A novel by a critically acclaimed voice in contemporary fiction, praised by *Ebony* for its “unforgettable images, unique characters, and moving story that keeps the pages turning until the end.” A young prostitute comes to Bigelow, Arkansas, to start over, far from her haunting past. Sugar moves next door to Pearl, who is still grieving for the daughter who was murdered fifteen years before. Over sweet-potato pie, an unlikely friendship begins, transforming both women's lives—and the life of an entire town. Sugar brings a Southern African-American town vividly to life, with its flowering magnolia trees, lingering scents of jasmine and honeysuckle, and white picket fences that keep strangers out—but ignorance and superstition in. To read this novel is to take a journey through loss and suffering to a place of forgiveness, understanding, and grace.
