[The Life and Loves of E. Nesbit](#) Oct 15 2021 A Sunday Times Best Book of the Year: The "informative and entertaining" first major biography of the trailblazing, controversial children's author (The Washington Post). Born in 1858, Edith Nesbit is today considered the first modern writer for children and the inventor of the children's adventure story. In *The Life and Loves of E. Nesbit*, award-winning biographer Eleanor Fitzsimons uncovers the little-known details of her life, introducing readers to the Fabian Society cofounder and fabulous socialite who hosted legendary parties and had admirers by the dozen, including George Bernard Shaw. Through Nesbit's letters and archival research, Fitzsimons reveals "E." to have been a prolific lecturer and writer on socialism and shows how Nesbit incorporated these ideas into her writing, thereby influencing a generation of children—an aspect of her literary legacy never before examined. Fitzsimons's riveting biography brings new light to the life and works of this remarkable writer and woman. "Meticulous and invaluable...exceptionally illuminating and detailed." —The Wall Street Journal "Fitzsimons handily reassembles the hundreds of intricate, idiosyncratic parts of the miraculous E. Nesbit machine." —The New York Times Book Review "I've always loved the work of E. Nesbit—*The Railway Children* and *Five Children* and *It* are my favorites—but I

knew nothing about the extraordinary, surprising life of this great figure in children's literature . . . so gripping that I read [it] in two days." —Gretchen Rubin, #1 New York Times bestselling author of *The Happiness Project* "A charming, lively, and old-fashioned biography . . . highly readable." —Publishers Weekly "A terrific book." —Neil Gaiman

This is the account of their incredible adventures in those magical lands, where they meet characters from books and history, mythical beasts, and many other nice (and not so nice) people and creatures. As with all Edith Nesbit's tales, The Magic City has generous helpings of humour, imagination and interesting ideas, as well as the over-arching story of how a boy and girl who have unwillingly become step-brother and sister eventually learn to like each other. [The New Treasure Seekers \(1904\)](#). By: E. Nesbit Sep 14 2021 Edith Nesbit (married name Edith Bland; 15 August 1858 - 4 May 1924) was an English author and poet; she published her books for children under the name of E. Nesbit. She wrote or collaborated on more than 60 books of children's literature. She was also a political activist and co-founded the Fabian Society, a socialist organisation later affiliated to the Labour Party. Nesbit was born in 1858 at 38 Lower Kennington Lane in Kennington, Surrey (now part of Greater London), the daughter of an agricultural chemist, John Collis Nesbit, who died in March 1862, before her fourth birthday. Her sister Mary's ill health meant that the family travelled around for some years, living variously in Brighton, Buckinghamshire, France (Dieppe, Rouen, Paris, Tours, Poitiers, Angoulême, Bordeaux, Arcachon, Pau, Bagnères-de-Bigorre, and Dinan in Brittany), Spain and Germany, before settling for three years at Halstead Hall in Halstead in north-west Kent, a location which later inspired The Railway Children (this distinction has also been claimed by the Derbyshire town of New Mills). At eighteen, Nesbit met the bank clerk Hubert Bland in 1877. Seven months pregnant, she married Bland on 22 April 1880, though she did not immediately live with him, as Bland initially continued to live with his mother. Their marriage was a stormy one. Early on Nesbit discovered that another woman believed she was Hubert's fiancée and had also borne him a child. A more serious blow came later when she discovered that her good friend, Alice Hoatson, was pregnant with Hubert's child. She had previously agreed to adopt Hoatson's child and allow Hoatson to live

with her as their housekeeper. After she discovered the truth, they quarrelled violently and she suggested that Hoatson and the baby should leave; her husband threatened to leave Edith if she disowned the baby and its mother. Hoatson remained with them as a housekeeper and secretary and became pregnant by Bland again 13 years later. Edith again adopted Hoatson's child. Nesbit's children were Paul Bland (1880-1940), to whom The Railway Children was dedicated; Iris Bland (1881-1950s); Fabian Bland (1885-1900); Rosamund Bland (1886-1950), to whom The Book of Dragons was dedicated; and John Bland (1898-1971) to whom The House of Arden was dedicated. Her son Fabian died aged 15 after a tonsil operation; Nesbit dedicated a number of books to him: Five Children and It and its sequels, as well as The Story of the Treasure Seekers and its sequels. Nesbit's adopted daughter Rosamund collaborated with her on the book Cat Tales....

[The Story of the Treasure Seekers](#) Aug 25 2022 From the author of The Railway Children and Five Children and It comes this tale of six siblings and their adventures in Victorian London. The Bastable children are deeply saddened by the death of their mother, and to make things worse, they're impoverished when their father's business fails. Determined to restore both the family's fortune and its good name, the young Bastables embark on a variety of hilarious get-rich-quick schemes. Each chapter details a new adventure, from digging for treasure and becoming detectives and highway robbers, to writing a newspaper and selling wine. The children accost a nobleman on Blackheath and are mistaken for blackmailers, pay a visit to a moneylender, encounter a royal princess in Greenwich Park, and earnestly pursue other comic ventures. Their courage and determination provide a heartwarming complement to the droll narrative, and their hopes, disappointments, and triumphs remain as real and moving today as they were a century ago.

[The Story of the Treasure Seekers](#) Dec 05 2020 This is the story of the different ways we looked for treasure, and I think when you have read it you will see that we were not lazy about the looking. This novel, the first in what is often called the "Bastable Saga" begins the story of these six children - Dora, Oswald, Dicky, Alice, Noel, and Horace Octavius Bastable. When their mother dies and their father's business fails, the children embark on a series of adventures. your House."

[The Magic World](#) Sep 02 2020 The Magic World - Edith Nesbit - The Magic World is an influential collection of twelve short stories by E. Nesbit. It was first published in book form in 1912 by Macmillan and Co. Ltd., with illustrations by H. R. Millar and Gerald Spencer Pryse. The stories, previously printed in magazines such as Blackie's Children's Annual, are typical of Nesbit's arch, ironic, clever fantasies for children.

But whether telling fortunes at a fete, unwittingly assisting an elopement, reforming their nasty cousin Archibald or even getting arrested, it is all good fun, and usually in a good cause. We Bastables have only two uncles, and neither of them, are our own natural-born relatives. One is a great-uncle, and the other is the uncle from his birth of Albert, who used to live next door to us in the Lewisham Road. When we first got to know him (it was over some baked potatoes, and is quite another story) we called him Albert-next-door's-Uncle, and then Albert's uncle for short. But Albert's uncle and my father joined in taking a jolly house in the country, called the Moat House, and we stayed there for our summer holidays; and it was there, through an accident to a pilgrim with peas in his shoes-that's another story too-that we found Albert's uncle's long-lost love; and as she was very old indeed-twenty-six next birthday-and he was ever so much older in the vale of years, he had to get married almost directly, and it was fixed for about Christmas-time. And when our holidays came the whole six of us went down to the Moat House with Father and Albert's uncle. We never had a Christmas in the country before. It was simply ripping. And the long-lost love-her name was Miss Ashleigh, but we were allowed to call her Aunt Margaret even before the wedding made it really legal for us to do so-she and her jolly clergyman brother used to come over, and sometimes we went to the Cedars, where they live, and we had games and charades, and hide-and-seek, and Devil in the Dark, which is a game girls pretend to like, and very few do really, and crackers and a Christmas-tree for the village children, and everything you can jolly well think of.

A Woman of Passion Nov 23 2019 In A Woman of Passion, Julia Briggs chronicles the life of author Edith Nesbit who is credited with being the first modern writer for children and the creator of the children's adventure story. Nesbit recorded her life with varying degrees of honesty in verse and prose, and while she seldom wrote entirely openly of her own experiences, she seldom wrote convincingly of anything else. In this fascinating read, Julia Briggs attempts to fill in the gaps of Nesbit's autobiographical material, painting an intriguing portrait of the famous author.
