How to Get a Spouse Visa for Japan: the TranSenz Guide May 26 2022 This is the complete, step-by-step guide to every form and every document you need to apply for a spouse visa for Japan. Applying for a certificate of eligibility and spouse visa for Japan can seem intimidating. After all, if lawyers charge over 100,000 yen to file your application, it can't be easy, right? Not at all! The application process is straightforward and you do not need a lawyer. The reason most applicants struggle is that there has never been a set of thorough, detailed instructions available in English, until now. This book describes every form and document you need for the application process. It is designed to be your one-stop resource. You do not need to pay huge sums of cash to a lawyer. You do not need to agonize over vague directions from the Immigration Bureau. With this book in hand, you can file your application yourself, without fear of error. Travis Senzaki is the creator of the #1 online resource for Japan Spouse Visa applicants, the TranSenz blog. In this book, he has taken the most popular post from that blog, which has helped hundreds of applicants acquire their visas, and expanded it with samples, annotated forms, and explanations designed to leave no detail behind.

Visa Secrets Revealed Jul 28 2022 This book has the answers to all questions on what to do to get a visa to any country of your choice and what to do when you get there to avoid becoming illegal or stranded. Most foreign countries will give you a visa if you can provide them with correct and relevant information. And that's what most people fail to do—simply from not knowing or not paying attention. By the same token, most foreign embassies will deny applications for failing to meet the requirements, which is totally ambiguous and can mean anything. This book has been put together with the goal of helping you to understand the process, guide and provide you with the data, information, and insight so you know precisely what is involved and what to do to get the visa you want. It contains all the answers to the questions on what you can do to increase your chances of getting a visa to travel to any country of your choice, including everyone's favorite country, the United States of America. This book will provide you with the information and guidelines on the following: -ten easiest ways to travel, immigrate, move to America, Canada, Europe, Australia, other foreign countries, -how to successfully find all the proper, correct, and relevant documents you need to support your visa application to avoid being disqualified, and -how to avoid becoming stranded or an illegal alien in a foreign country. Government websites have all kinds of information on what kind of visa programs are available to be applied for by those seeking to travel overseas. What they don't talk about is the most important: how to prepare for visa interviews, what you need to know before submitting a visa application, how to improve your chances of getting a visa to America, Europe, Australia, and other foreign countries. This book has all the answers.

Fiancé and Marriage Visas Oct 07 2020 For foreign-born spouses or fiancés of U.S. citizens or permanent residents, the process of applying for a visa or green card can be overwhelming. This book provides practical help. It shows them how to navigate the bureaucracy and deal with the masses of paperwork required to submit their application. In an era when the U.S. government is scrutinizing all immigration applications more closely, and moving more quickly to send applicants into deportation (removal) proceedings after denying their application, getting reliable, straightforward help upfront is more important than ever.
