Shakespeare's Sonnets and Narrative Poems Jun 02 2020 Alongside Spenser, Sidney and the early Donne, Shakespeare is the major poet of the 16th century, largely because of the status of his remarkable sequence of sonnets. Professor Cousins' new book is the first comprehensive study of the Sonnets and narrative poems for over a decade. He focuses in particular on their exploration of self-knowledge, sexuality, and death, as well as on their ambiguous figuring of gender. Throughout he provides a comparative context, looking at the work of Shakespeare's contemporaries. The relation between Shakespeare's non-dramatic verse and his plays is also explored.

A Court of Wings and Ruin Apr 12 2021 The epic third novel in the #1 New York Times bestselling Court of Thorns and Roses series by Sarah J. Maas. Feyre has returned to the Spring Court, determined to gather information on Tamlin's actions and learn what she can about the invading king threatening to bring her land to its knees. But to do so she must play a deadly game of deceit. One slip could bring doom not only for Feyre, but for everything-and everyone-she holds dear. As war bears down upon them all, Feyre endeavors to take her place amongst the High Fae of the land, balancing her struggle to master her powers-both magical and political-and her love for her court and family. Amidst these struggles, Feyre and Rhysand must decide whom to trust amongst the cunning and lethal High Lords, and hunt for allies in unexpected places. In this thrilling third book in the #1 New York Times bestselling series from Sarah J. Maas, the fate of Feyre's world is at stake as armies grapple for power over the one thing that could destroy it.

The Case of the Man Who Died Laughing Mar 31 2020 A follow-up to *The Case of the Missing Servant* finds Indian detective Vish Puri sending an undercover operative to the sacred town of Haridwar when a notorious debunker is found dead and a high-profile Hindu ascetic is implicated. Reprint.

Tarquin Jenkins and the Book of Dreams Mar 12 2021 All Tarquin Jenkins wanted to do, was travel through space and time, solve some of the Universe's more pressing problems, and lay hands on the Nerydire Book of Dreams, Unfortunately, nobody told him about the bloodsucking Leche, the leprechauns, the other leprechauns, the killer androids, the extremely rude waitress, Nostradamus, Leonardo da Vinci, the malfunctioning toaster, the Zargothian legal system, the Bloated Shagganat nightclub, the psychopathic Griddleback hordes, and a flame-haired, one-eyed space pirate called Georgia Blade. After he got his head round all that, Tarquin's life became a little complicated...

Tarquin Star Globe Jan 28 2020 The StarGlobe shows the whole celestial sphere and it is an ingenious threedimensional star chart which works at any latitude for any time and date. The StarGlobe itself rests in a simple cradle which shows the horizon. This means that you know

which way to look to find and identify the stars, constellations and planets. Because it works for any latitude, it can be used to demonstrate facts about the universe and the night sky which are otherwise very difficult to explain and understand. There is a minibook which is full of ideas and background information.

The Case of the Missing Servant Nov 27 2019 Watch out Alexander McCall Smith! Here comes the first novel by the highly acclaimed writer Tarquin Hall in an entrancing new mystery series set in India. The portly Vish Puri is India's most accomplished detective, at least in his own estimation, and is also the hero of an irresistible new mystery series set in hot, dusty Delhi. Puri's detective skills are old-fashioned in a Sherlock Holmesian way and a little out of sync with the tempo of the modern city, but Puri is clever and his methods work. *The Case of the Missing Servant* shows Puri ("Chubby" to his friends) and his wonderfully nicknamed employees (among them, Handbrake, Flush, and Handcream) hired for two investigations. The first is into the background of a man surprisingly willing to wed a woman her father considers unmarriageable, and the second is into the disappearance six months earlier of a servant to a prominent Punjabi lawyer, a young woman known only as Mary. The Most Private Investigator novels offer a delicious combination of ingenious stories, brilliant writing, sharp wit, and a vivid, unsentimental picture of contemporary India. And from the first to the last page run an affectionate humour and intelligent insights into both the subtleties of Indian culture and the mysteries of human behaviour.

The Case of the Missing Servant Nov 19 2021 The first in a detective series that "immediately joins the No. 1 Ladies' Detective Agency as representing the best in international cozies" (Booklist, starred review). Meet Vish Puri, India's most private investigator. Portly, persistent, and unmistakably Punjabi, he cuts a determined swath through modern India's swindlers, cheats, and murderers. In hot and dusty Delhi, where call centers and malls are changing the ancient fabric of Indian life, Puri's main work comes from screening prospective marriage partners, a job once the preserve of aunties and family priests. But when an honest public litigator is accused of murdering his maidservant, it takes all of Puri's resources to investigate. With his team of undercover operatives—Tubelight, Flush, and Facecream—Puri combines modern techniques with principles of detection established in India more than two thousand years ago, and reveals modern India in all its seething complexity.

The Fall of Tarquin, a Tragedy [in Five Acts and in Verse]. By W[illiam] H[unt]. Sep 29 2022

Tarquin of Cheapside Oct 26 2019 Tarquin of Cheapside is a short story by Francis Scott Key Fitzgerald and was first published in the "Smart Set" in 1921, although it had been written 5 years previous. It was first published in book form in Tales of the Jazz Age in 1922. Francis Scott Key Fitzgerald (September 24, 1896 - December 21, 1940) was an American author of novels and short stories, whose works are the paradigmatic writings of the Jazz Age, a term he coined. He is widely regarded as one of the greatest American writers of the 20th century. Fitzgerald is considered a member of the "Lost Generation" of the 1920s. He finished four novels: This Side of Paradise, The Beautiful and Damned, The Great Gatsby (his most famous), and Tender Is the Night. A fifth, unfinished novel, The Love of the Last Tycoon, was published posthumously. Fitzgerald also wrote many short stories that treat themes of youth and promise along with age and despair. Fitzgerald's work has inspired writers ever since he was first published. The publication of The Great Gatsby prompted T. S. Eliot to write, in a letter to Fitzgerald, "[I]t seems to me to be the first step that American fiction has taken since Henry James" Don Birnam, the protagonist of Charles Jackson's The Lost Weekend, says to himself, referring to The Great Gatsby, "There's no such thing ... as a flawless novel. But if there is, this is it." In letters written in the 1940s, J. D. Salinger expressed admiration of Fitzgerald's work, and his biographer Ian Hamilton wrote that Salinger even saw himself for some time as "Fitzgerald's successor." Richard Yates, a writer often compared to Fitzgerald, called The Great Gatsby "the most nourishing novel [he] read ... a miracle of talent ... a triumph of technique." It was written in a New York Times editorial after his death that Fitzgerald "was better than he knew, for in fact and in the literary sense he invented a generation ... He might have interpreted them and even guided them, as in their middle years they saw a different and nobler freedom threatened with destruction."
