The Way of Integrity Jan 28 2020 OPRAH'S BOOK CLUB PICK AN INSTANT NEW YORK TIMES BESTSELLER "A roadmap on the journey to truth and authenticity... [The Way of Integrity] is filled with aha moments and practical exercises that can guide us as we seek enlightenment." —Oprah Winfrey Bestselling author, life coach, and sociologist Martha Beck explains why "integrity"—needed now more than ever in these tumultuous times—is the key to a meaningful and joyful life As Martha Beck says in her book, "Integrity is the cure for psychological suffering. Period." In *The Way of Integrity*, Beck presents a four-stage process that anyone can use to find integrity, and with it, a sense of purpose, emotional healing, and a life free of mental suffering. Much of what plagues us—people pleasing, staying in stale relationships, negative habits—all point to what happens when we are out of touch with what truly makes us feel whole. Inspired by *The Divine Comedy*, Beck uses Dante's classic hero's journey as a framework to break down the process of attaining personal integrity into small, manageable steps. She shows how to read our internal signals that lead us towards our true path, and to recognize what we actually yearn for versus what our culture sells us. With techniques tested on hundreds of her clients, Beck brings her expertise as a social scientist, life coach and human being to help readers to uncover what integrity looks like in their own lives. She takes us on a spiritual adventure that not only will change the direction of our lives, but also bring us to a place of genuine happiness.

Smart Women: The Search for America's Historic All - Women Study Clubs Feb 09 2021 Hiding in plain sight throughout America are historic, highly private women's self-education groups. These clubs are fascinating survivors from an era following the Civil War when women couldn't apply to most colleges and were told they shouldn't leave the home. In their earliest days, the study groups also contributed to the welfare of their towns - often by helping to found their town's first library-and served to get women out of the house and into the world. Today's all-women study clubs have no civic component but still fashion their meetings as their founding great-grandmothers did, with members taking turns giving original papers. In *Smart Women*, author Ann Dodds Costello discusses her four-year quest to locate, often visit, and describe today's 100-year-old, all-women study clubs, all over America, even though they do not publicize and have no central organization or knowledge of each other. Included: an invaluable, first-ever directory of most of the book's ninety-plus clubs.

Barn Club Mar 30 2020 "In today's ego-techno-centred world, Robert Somerville's . . . Barn Club approach is a way forward that utilizes local traditions, local materials, and local hands to create a built environment that is more harmonious with the natural world and of course more beautiful."—Jack A. Sobon, architect, timber framer, and author of *Hand Hewn* "Somerville knows more about wooden barn construction than almost anyone alive."—*The Telegraph* Natural history meets traditional hand craft in this celebration of the elm tree and community spirit. When renowned craftsman Robert Somerville moved to Hertfordshire in southern England, he discovered an unexpected landscape rich with wildlife and elm trees. Nestled within London's commuter belt, this wooded farmland inspired Somerville, a lifelong woodworker, to revive the ancient tradition of hand-raising barns. *Barn Club* follows the building of Carley Barn over the course of one year. Volunteers from all walks of life joined *Barn Club*, inspired to learn this ancient skill of building elm barns by hand, at its own quiet pace and in the company of others, while using timber from the local woods. The tale of the elm tree in its landscape is central to *Barn Club*. Its natural history, historic importance, and remarkable survival make for a fascinating story. This is a tale of forgotten trees, a local landscape, and an ancient craft. This book includes sixteen pages of color photographs, and black and white line drawings of techniques and traditional timber frame barns feature throughout. Perfect for fans of *Norwegian Wood* and *The Hidden Life of Trees*.

Perestroika in Paris Oct 25 2019 NATIONAL BESTSELLER • From the Pulitzer Prize-winning and best-selling author: a captivating, brilliantly imaginative story of three extraordinary animals—and a young boy—whose lives intersect in Paris in this "feel-good escape" (The New York Times). Paras, short for "Perestroika," is a spirited racehorse at a racetrack west of Paris. One afternoon at dusk, she finds the door of her stall open and—she's a curious filly—wanders all the way to the City of Light. She's dazzled and often mystified by the sights, sounds, and smells around her, but she isn't afraid. Soon she meets an elegant dog, a German shorthaired pointer named Frida, who knows how to get by without attracting the attention of suspicious Parisians. Paras and Frida coexist for a time in the city's lush green spaces, nourished by Frida's strategic trips to the vegetable market. They keep company with two irrepressible ducks and an opinionated raven. But then Paras meets a human boy, Etienne, and discovers a new, otherworldly part of Paris: the ivy-walled house where the boy and his nearly-one-hundred-year-old great-grandmother live in seclusion. As the cold weather nears, the unlikeliest of friendships bloom. But how long can a runaway horse stay undiscovered in Paris? How long can a boy keep her hidden and all to himself? Jane Smiley's beguiling new novel is itself an adventure that celebrates curiosity, ingenuity, and the desire of all creatures for true love and freedom.

Crying in H Mart Aug 27 2022 NEW YORK TIMES BEST SELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—"in losing her mother and cooking to bring her back to life, Zauner became herself" (NPR) • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BEST SELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

The Presidents Club Sep 23 2019 The New York Times bestselling history of the private relationships among the last thirteen presidents—the partnerships, private deals, rescue missions, and rivalries of those select men who served as commander in chief. The Presidents Club, established at Dwight Eisenhower's inauguration by Harry Truman and Herbert Hoover, is a complicated place: its members are bound forever by the experience of the Oval Office and yet are eternal rivals for history's favor. Among their secrets: How Jack Kennedy tried to blame Ike for the Bay of Pigs. How Ike quietly helped Reagan win his first race in 1966. How Richard Nixon conspired with Lyndon Johnson to get elected and then betrayed him. How Jerry Ford and Jimmy Carter turned a deep enmity into an alliance. The unspoken pact between a father and son named Bush. And the roots of the rivalry between Clinton and Barack Obama. Time magazine editors and presidential historians Nancy Gibbs and Michael Duffy offer a new and revealing lens on the American presidency, exploring the club as a hidden instrument of power that has changed the course of history.

Revenge of the Red Club Nov 18 2021 "Will educate and inspire budding feminists...A real and necessary read, period!" —Kirkus Reviews "Empowering." —Booklist "A middle school feminist manifesto that fans of girl-led ensembles like Ann M. Martin's *The Babysitter's Club* and Ann Brashares's *The Sisterhood of the Traveling Pants* will love." —School Library Journal (starred review) A tween reporter discovers an important and beloved club at school is being shut down—and uses the power of the pen to try and activate some much-needed social change in this period-positive and empowering middle grade novel about the importance of standing up for what you believe in. Riley Dunne loves being a member of the Red Club. It's more than a group of girls supporting each other through Aunt Flo's ups and downs; it's a Hawking Middle School tradition. The club's secret locker has an emergency stash of supplies, and the girls are always willing to lend an ear, a shoulder, or an old pair of sweatpants. But when the school administration shuts the Red Club down because of complaints, the girls are stunned. Who would do that to them? The girls' shock quickly turns into anger, and then they decide to get even. But wallpapering the gym with maxi pads and making tampon crafts in art class won't bring their club back. Only Riley can do that. Using the skills she has cultivated as her school paper's top investigative reporter (okay, only investigative reporter), she digs for the truth about who shut the club down and why. All the while dealing with friendship drama, a new and ridiculous dress code, and a support group that is now more focused on fighting with each other than fighting back. Can she save the Red Club before this rebellion turns into a full-scale war?

The Legends Club Oct 29 2022 On March 18, 1980, the Duke basketball program announced the hiring of Mike Krzyzewski, the man who would restore glory to the team. The only problem: no one knew who Krzyzewski was. Nine days later, Jim Valvano was hired by North Carolina State to be their new head coach. The hiring didn't raise as many eyebrows, but the two new coaches had a similar goal: to unseat North Carolina's Dean Smith as the king of college basketball. And just like that, the most sensational competitive decade in history was about to unfold. In the skillful hands of John Feinstein, *The Legends Club* captures an era in American sport and culture, documenting the inside view of a decade of absolutely incredible competition. Feinstein pulls back the curtain on the recruiting wars, the intensely personal competition that wasn't always friendly, the enormous pressure and national stakes, and the battle for the very soul of college basketball.

The Real Metaphysical Club Dec 19 2021 A full account of the Metaphysical Club, featuring the members' philosophical writings and four critical essays. The Metaphysical Club, a gathering of intellectuals in the 1870s, is widely recognized as the crucible where pragmatism, America's distinctively original philosophy, was refined and proclaimed. Louis Menand's bestseller about the group was a dramatic publishing success. However, only three actual members—Oliver Wendell Holmes Jr., Charles S. Peirce, and William James—appear in the book, alongside other thinkers who were never in the Club. *The Real Metaphysical Club* tells the full story of how this influential group shifted the course of philosophy in America. In addition to pioneering pragmatism, the group explored radical empiricism and idealism, and formulated personalism and process philosophy, equally important developments. This volume contains the important writings dating from 1870 to 1885 by the real members of the Metaphysical Club. The first section centers on pragmatism and science; the second part collects writings of the lawyers; and the third part covers idealist and personalist philosophers. Many of these writings have never been reprinted before, and nothing like this impressive collection has ever been attempted. A general introduction provides a narrative history, and the editors' three introductions to the volume's sections vividly bring to life the intense meetings, sustained debates, and pioneering thought of the Metaphysical Club. "The Real Metaphysical Club includes some very important thinkers that don't always make it into anthologies of American philosophy. The period is also important. 1870 to 1885 is critical to the development of classical American philosophy. It precedes it and sets its direction. The book accomplishes its goal of giving the reader a sense of the period by arranging the works in a very interesting way. The readings and introduction are very readable and would be helpful to both graduate and undergraduate students as well as general readers interested in American Thought."—James M. McLachlan, Western Carolina University

Washington Canoe Club Jan 20 2022 The Washington Canoe Club has been a landmark on the Georgetown waterfront of the nation's capital for over a century. Its iconic Victorian boathouse, now listed in the National Register of Historic Places, has survived floods and fires as well as changing land uses along the Potomac shoreline. The canoe club is best known for its prowess and as a pioneer in national and international paddling competition, from introducing canoeing as an Olympic sport in 1924 to bringing women fully into competitive paddling. But the story is also one of the coming of age of outdoor recreation and social clubs in America's cities, where, post-Civil War, people came to enjoy new leisure time and "physical culture" in a wide variety of outdoor activities.

Welcome to the Club Jun 25 2022 From the comedian behind the popular parenting blog *The Ugly Volvo* comes a refreshing spin on the baby milestone book. Instead of a place to lovingly capture the first time baby sleeps through the night, this book shows what it's like the first time baby rolls off the bed/sofa/changing table, leaving mom or dad in a state of pure terror (it happens). These 100 rarely documented but all-too-realistic milestones—such as *First Time Baby Says a Word You Didn't Want Her to Say*—provide comfort, solidarity, and comic relief for new parents. Laugh-out-loud relatable text and distinctive paper-cut illustrations of these "bad" parenting moments make this a must-have book for anyone entering the mysterious club of parenthood.

Lychee Light Club Feb 21 2022 The *Lychee Light Club* is considered Usamaru Furuya's breakthrough work. Having taken command of a band of young men to build him a god-like machine capable of changing the world. This machine, named "Lychee," will give them what they've been searching for...a beauty of the finest quality. A surreal yet touching horror comedy Furuya's *Lychee Light Club* that mixes elements of French *Le Théâtre du Grand-Guignol* and with modern day pop culture tropes and is set in modern day Tokyo. Shocking, sexy and innovative, the *Lychee Light Club* is at the pinnacle of modern day Japanese *seinen* manga (young adult comics).

Cocktail club Jun 01 2020 Roxanne, Maggie et Candice, collègues/copines dans un célèbre magazine de mode londonien, ont une tradition : tous les premiers du mois, rendez-vous au Manhattan Bar, p'tit pub branché où l'on échange confessions et mojitos tout en critiquant les (plus) jeunes et en sifflant les serveurs. Enfin ça, c'est pour les célibataires. Roxanne, enceinte, et Maggie, qui vit une aventure avec un homme marié, ont autre chose en tête. Candice, elle, dans un élan de générosité, invite la serveuse à leur table. Mais ajouter un ingrédient au "Cocktail Club" pourrait bien rompre son bel équilibre.

Cornell Junior Extension Bulletin Dec 07 2020

Supper Club Sep 28 2022 A sharply intelligent and intimate debut novel about a secret society of hungry young women who meet after dark and feast to reclaim their appetites--and their physical spaces--that posits the question: If you feed a starving woman, what will she grow into? Roberta spends much of her time trying not to take up space. At almost thirty, she is adrift and alienated from life. Stuck in her mindless job and reluctant to pursue her passion for food, she suppresses her appetite and recedes to the corners of rooms. But when she meets Stevie, a spirited and effervescent artist, their intense friendship sparks a change in Roberta, a shift in her desire for more. Together, they invent the Supper Club, a transgressive and joyous collective of women who celebrate--rather than admonish--their hungers. They gather after dark and feast until they are sick; they break into private buildings and leave carnage in their wake; they embrace their changing bodies; they stop apologizing. For these women, the club is a way to explore, discover, and push the boundaries of the space they take up in the world--and reclaim it. Yet as the club expands, growing both in size and rebellion, Roberta is forced to reconcile herself to the desires and vulnerabilities of the body--and the past she has worked so hard to repress. Devastatingly perceptive and savagely funny, *Supper Club* is an essential coming-of-age story for our times.

The Club Nov 06 2020 Prize-winning biographer Leo Damrosch tells the story of "the Club," a group of extraordinary writers, artists, and thinkers who gathered weekly at a London tavern In 1763, the painter Joshua Reynolds proposed to his friend Samuel Johnson that

they invite a few friends to join them every Friday at the Turk's Head Tavern in London to dine, drink, and talk until midnight. Eventually the group came to include among its members Edmund Burke, Adam Smith, Edward Gibbon, and James Boswell. It was known simply as "the Club." In this captivating book, Leo Damrosch brings alive a brilliant, competitive, and eccentric cast of characters. With the friendship of the "odd couple" Samuel Johnson and James Boswell at the heart of his narrative, Damrosch conjures up the precarious, exciting, and often brutal world of late eighteenth-century Britain. This is the story of an extraordinary group of people whose ideas helped to shape their age, and our own.

Beer in the Snooker Club Jul 14 2021 Set amidst the turbulence of 1950s Cairo, *Beer in the Snooker Club* is the story of Ram Bey, an over-educated, under-ambitious young Egyptian struggling to find out where he fits in. Ram's favorite haunt is the fashionable Cairo Snooker Club, whose members strive to emulate English gentility; but his best friends are young intellectuals who devour the works of Sartre and engage in dangerous revolutionary activities to support Egyptian independence. By turns biting and comic, *Beer in the Snooker Club* — the first and only book by Waguih Ghali — became a cult classic when it was first published and remains a timeless portrait of a loveable rogue coming of age in turbulent times.

The No Club Aug 15 2021 In this "long overdue manifesto on gender equality in the workplace, a practical playbook with tips you can put into action immediately...simply priceless" (Angela Duckworth, bestselling author of *Grit*), *The No Club* offers a timely solution to achieving equity at work: unburden women's careers from work that goes unrewarded. *The No Club* started when four women, crushed by endless to-do lists, banded together to get their work lives under control. Running faster than ever, they still trailed behind male colleagues. And so, they vowed to say no to requests that pulled them away from the work that mattered most to their careers. This book reveals how their over-a-decade-long journey and subsequent groundbreaking research showing that women everywhere are unfairly burdened with "non-promotable work," a tremendous problem we can—and must—solve. All organizations have work that no one wants to do: planning the office party, screening interns, attending to that time-consuming client, or simply helping others with their work. A woman, most often, takes on these tasks. In study after study, professors Linda Babcock (bestselling author of *Women Don't Ask*), Brenda Peyser, Lise Vesterlund, and Laurie Weingart—the original "No Club"—document that women are disproportionately asked and expected to do this work. The imbalance leaves women overcommitted and underutilized as companies forfeit revenue, productivity, and top talent. *The No Club* walks you through how to change your workload, empowering women to make savvy decisions about the work they take on. The authors also illuminate how organizations can reassess how they assign and reward work to level the playing field. With hard data, personal anecdotes from women of all stripes, self- and workplace-assessments for immediate use, and innovative advice from the authors' consulting Fortune 500 companies, this book will forever change the conversation about how we advance women's careers and achieve equity in the 21st century.
