Hav Dec 25 2019 A New York Review Books Original Hav is like no place on earth. Rumored to be the site of Troy, captured during the crusades and recaptured by Saladin, visited by Tolstoy, Hitler, Grace Kelly, and Princess Diana, this Mediterranean city-state is home to several architectural marvels and an annual rooftop race that is a feat of athleticism and insanity. As Jan Morris guides us through the corridors and quarters of Hav, we hear the mingling of Italian, Russian, and Arabic in its markets, delight in its famous snow raspberries, and meet the denizens of its casinos and cafés. When Morris published *Last Letters from Hav* in 1985, it was short-listed for the Booker Prize. Here it is joined by *Hav of the Myrmidons*, a sequel that brings the story up-to-date. Twenty-first-century Hav is nearly unrecognizable. Sanitized and monetized, it is ruled by a group of fanatics who have rewritten its history to reflect their own blinkered view of the past. Morris's only novel is dazzlingly sui-generis, part erudite travel memoir, part speculative fiction, part cautionary political tale. It transports the reader to an extraordinary place that never was, but could well be.

Jan 18 2022 Il libro è costituito da un progetto realizzato da Mari nel '74 e rappresenta uno stimolo (e una provocazione) per legare la creatività alla capacità costruttiva di ognuno, seguendo e/o modificando la traccia data dai disegni progettuali di Enzo Mari per la realizzazione di una sedia, un tavolo, un armadio, un letto. Il libro riprende la precedente pubblicazione "Proposta per un'autoprogettazione" curata dal centro Duchamp e stampata in occasione della mostra alla Galleria Milano, alla quale si aggiungono i testi dello stesso Mari a commento di quest'operazione, la documentazione di ciò che la prima uscita del progetto ha provocato (lettere, commenti, articoli), immagini, disegni e una riflessione sull'attualità della riproposta di oggi.

The Upside of Being Down Feb 07 2021 A NEW YORK TIMES BESTSELLER An entertaining, humorous, and inspirational memoir by the founder and chief creative officer of the multimillion-dollar lifestyle brand ban.do, who "has become a hero among women (and likely some men too) who struggle with mental health" (*Forbes*). After graduating from college, Jen Gotch was living with her parents, heartbroken and lost, when she became convinced that her skin had turned green. Hallucinating that she looked like *Shrek* was terrifying, but it led to her first diagnosis and the start of a journey towards self-awareness, acceptance, success, and ultimately, joy. With humor and candor, Gotch shares the empowering story of her unlikely path to becoming the creator and CCO of a multimillion-dollar brand. From her childhood in Florida where her early struggles with bipolar disorder, generalized anxiety, and ADD were misdiagnosed, to her winding career path as a waitress, photographer, food stylist, and finally, accidental entrepreneur, she illuminates how

embracing her flaws and understanding the influence of mental illness on her creativity actually led to her greatest successes in business and life. Hilarious, hyper-relatable, and filled with fascinating insights and hard-won wisdom on everything from why it's okay to cry at work to the myth of busyness and perfection to the emotional rating system she uses every day, Gotch's inspirational memoir dares readers to live each day with hope, optimism, kindness, and humor.

Presidential Sheet Music Aug 25 2022 Political historians have traditionally interpreted the people and events of each presidential era by studying books, periodicals, letters, diaries and speeches. One source of printed material that has not received much scholarly attention is published music, much of which has been all but lost in the archives of libraries and museums. The traditional librarianly cataloging of music has ignored important aspects such as lyrical content and cover art, making it impossible to comprehensively locate and study items by subject matter. Presidential Sheet Music presents an exhaustive listing of presidential-related music in all printed forms, and provides information on each piece. Thus may we expand our understanding of political communication and discourse throughout American history. A sizable Introduction discusses matters from the publication in 1768 of The Liberty Song (which formally made music an instrument of political expression in America) to the few 1980s and 1990s presidential songs and marches. There are also helpful appendices which list music by titles, composers, publishers, and candidates.
