Ignite Your Life Oct 27 2022 FROM THE PRESIDENT OF MEGUIAR'S INC., PRODUCER OF ONE OF AMERICA'S TOP-SELLING CAR WAXES What if two simple changes could make everything in your life work for your good? This book will teach you how to live on mission for the kingdom of God. The hope that you have in Christ will shine to others as they seek a deeper, greater, and more powerful relationship with Jesus. Nothing rivals the joy that comes from leading people closer to Jesus, and it has never been easier! The vast majority of the unchurched know the world is out of control, and they're hoping there is a God who can make sense out of the chaos. Now is the time for Christians to share their faith. God mandated that they do so, almost everyone is searching for Him, the clock is ticking, and there's nothing more fun than knowing God is using you to move people closer to Him. The worse the world gets, the easier it will be to tell people about Jesus--and the more joy it will bring the body of Christ. Barry Meguiar has been sharing his faith every day for almost fifty years. Initially giving structured presentations that he felt were more like sales presentations, he was inspired by Jesus' words in John 13:35 that people will know we're His disciples by our love, and Luke 12:12, which says the Holy Spirit will give us the words to say when we need them. That took all the pressure off, and he was off to the races! Knowing many people see sharing their faith as a difficult obligation that brings persecution, Meguiar ignites readers' lives with the reality that it's actually fun and turns every day into an adventure. More importantly, it's the only thing in our lives that we will celebrate in heaven. Filled with inspiring stories, this book will show Christians how moving people closer to Jesus will change their lives, bring them true joy, and lead to revival. FEATURES AND BENEFITS: QR codes featuring additional insights from the author Study questions at the end of each chapter that can be used for Bible study or personal reflection

Stones of Remembrance in the Garden of Our Lives: One Family's Experiences of the Faithfulness of God Sep 26 2022 Memories can grow dim and become lost over time. Through his prophets and apostles God called on his people to remember his works and not let their memories of his faithfulness fade away. This book is one family's account of God's faithfulness in their lives, from childhood to advanced age, through joy and deep grief, blessing and rejection, while living with the challenges of ordinary life in the U.S. and in Thailand. It gives chronological examples of God's faithfulness that show how his continuing care and faithfulness strengthened their faith, even in the darkest valleys.

Why Great Men Fall Nov 23 2019 Your head sits heavily in your hands as the last employee turns out the last light and goes home for the night, leaving you alone in the dark with your failure and desperation. This scene is played-out daily in offices all over America, as leaders in corporations, churches, and organizations free-fall from moral or ethical failure. Wayne Goodall has observed this quagmire for decades, counseling those who have thrown away their families and their futures for a moment of pleasure or profit. Profiling well-known leaders who've had a fall from grace, Goodall notes the common traits, warning signs, and most importantly, a plan for avoiding such deadly traps of the soul. For everyone who has found himself in this terrible dilemma, and to those who can still avoid it, this book is like a beacon. There is a fail-safe guide for remaining on the right path, and *Why Great Men Fall* illustrates that safe route in a riveting way. One after the other, great men are falling like dominoes as they defy the profound wisdom of Scripture, make themselves into their own god and satisfy their most base desires. If you are already experiencing substantial fame, power or wealth or, more importantly, if you are approaching that possibility in your life, this will be one of the most important books you will ever read. -Barry Meguiar, President/CEO of Meguiar's, Inc, and host of FOX's Speed Channel program, Car Crazy Television Wayne Goodall has shared a brief but masterful guide to leadership in *WHY GREAT MEN FALL*. Having known Wayne as an exceptional leader for over 20 years, it is obvious that this is the life story and lessons learned by a great, humble leader whose "life lessons" blended with the truth of God's Word, give us a page turner that addresses the personal issues of today. -Dr. Tom Phillips, Director of the Billy Graham Center & Director of Crusades for Billy Graham Crusades Anyone can read the headlines. It takes a finer mind to go behind the faces of scandalized celebrities and their lurid exploits. Dr. Goodall combines discernment, insight, and an engaging contemporaneity to turn the tale of the fallen into wisdom for those willing to learn. -Mark Rutland, President, Southeastern University
