Prince2 Foundation Training Manual Aug 01 2020 Thank you for reading our PRINCE2 Foundation Training Manual. The main objective of this book is to provide an easy-to-read and easy-to-understand PRINCE2(R) Foundation training manual. The official PRINCE2 manual, "Managing Successful Projects with PRINCE2," is an excellent reference manual, but it is not a training manual and should not be used as one, as it is very difficult to comprehend and understand if you are new to project management. The official PRINCE2 manual also covers the complete Practitioner Syllabus, and it's impossible to know which parts are just focused on the PRINCE2 Foundation syllabus, so you have to read everything, which is not good if you are just studying for the foundation exam. Henceforth, this book is meant to be (and is) an easy introduction to PRINCE2 based on the Foundation syllabus, and it's quickly becoming the most read book for people wishing to learn about PRINCE2 and prepare for the foundation exam.

Surviving Religious Burnout Oct 15 2021 Have you ever experienced burn out as a believer? What do you do when your faith feels stuck in a rut? While some focus on being more disciplined, there is another solution. Christianity is not about perfecting your spiritual routines. Freedom in Christ should lead to our souls being released, not restricted. How do we access a Christian walk that is refreshing and full of joy when we have become used to experiencing something less rewarding? Most well-meaning believers are unaware they have slipped into legalism. Further complicating this Christian performance trap is that you appear passionate and excited all the up to burning out. You can only run on this spiritual treadmill for so long before you realize you are going nowhere. The frustration of always moving but never arriving is enough to cause anyone to become discouraged and give up. In *Surviving Religious Burnout*, I hope to help you escape this pattern of exhaustion. This book will help you get out of your spiritual rut and into an enjoyable, meaningful Christianity. To do this, we will dig up the roots of burnout and plant seeds of truth that will lead to a flourishing faith.

Knuckleheads in the News Aug 25 2022 YOU CAN'T MAKE THIS STUFF UP! Here is a hilarious collection that catches real-life knuckleheads in outrageous acts of brazen stupidity, giving new meaning to that famous four-letter word: "DUH"! * The Oregon resident who was waxing his 1984 Pontiac--and somehow managed to shove the antenna up his nose . . . GRANDMOTHER OF EIGHT MAKES HOLE IN ONE * The Atlanta Braves pitcher who was treated for five-inch-long welts after he tried to iron his polo shirt while wearing it . . . MINERS REFUSE TO WORK AFTER DEATH * The inmate at a Chesapeake Correctional Facility who

filed a five million dollar lawsuit against himself . . . DRUNK GETS NINE MONTHS IN VIOLIN CASE * The woman who couldn't stand the discomfort of having a callus on her right foot, so she blew off her big toe with a shotgun . . . Radio personality John "Kato" Machay's lively compilation of news stories, headlines, and courtroom gaffes proves hands down that truth is dumber than fiction! REMEMBER: To err may be human, but to laugh out loud is divine.

Saturday Night Madness Nov 16 2021 Small Town Losers Volume 1: This is certainly not how we wanted to begin our final semester of high school. After a wild night in the big City filled with accidental catnapping and illicit fireworks, the revolting Meowtastic Cat Food became an overnight sensation. Now we can't keep the locally-made hazardous waste on the shelves at our grocery store, and the customers won't let us hear the end of it. On the bright side, the most popular girl in school has heard of our weekend trips to the City, and she's hoping to catch a ride. But does she know more than she's letting on? Only one thing is for certain: this will be a Saturday Night Madness to remember.
