Advancing Disease Modeling in Animal-Based Research in Support of Precision Medicine

Jul 24 2019 Precision medicine is focused on the individual and will require the rapid and accurate identification and prioritization of causative factors of disease. To move forward and accelerate the delivery of the anticipated benefits of precision medicine, developing predictable, reproducible, and reliable animal models will be essential. In order to explore the topic of animal-based research and its relevance to precision medicine, the National Academies of Sciences, Engineering, and Medicine convened a 2-day workshop on October 5 and 6, 2017. The workshop was designed to focus on the development, implementation, and interpretation of model organisms to advance and accelerate the field of precision medicine. Participants examined the extent to which next-generation animal models, designed using patient data and phenotyping platforms targeted to reveal and inform disease mechanisms, will be essential to the successful implementation of precision medicine. This publication summarizes the presentations and discussions from the workshop.

Collected Poems: 1974-2004 Aug 17 2021 Finalist for the 2016 National Book Award Finalist for the 2017 NAACP Image Award Three decades of powerful lyric poetry from a virtuoso of the English language in one unabridged volume. Rita Dove's *Collected Poems 1974-2004* showcases the wide-ranging diversity that earned her a Pulitzer Prize, the position of U.S. poet laureate, a National Humanities Medal, and a National Medal of Art. Gathering thirty years and seven books, this volume compiles Dove's fresh reflections on adolescence in *The Yellow House on the Corner* and her irreverent musings in *Museum*. She sets the moving love story of Thomas and Beulah against the backdrop of war, industrialization, and the civil right struggles. The multifaceted gems of *Grace Notes*, the exquisite reinvention of Greek myth in the sonnets of *Mother Love*, the troubling rapids of recent history in *On the Bus with Rosa Parks*, and the homage to America's kaleidoscopic cultural heritage in *American Smooth* all celebrate Dove's mastery of narrative context with lyrical finesse. With the "precise, singing lines" for which the *Washington Post* praised

her, Dove "has created fresh configurations of the traditional and the experimental" (*Poetry* magazine).

[The Essential New York Times Cookbook: Classic Recipes for a New Century](#) Sep 05 2020 A *New York Times* bestseller and Winner of the James Beard Award: All the best recipes from 150 years of distinguished food journalism—a volume to take its place in America's kitchens alongside *Mastering the Art of French Cooking* and *How to Cook Everything*. Amanda Hesser, co-founder and CEO of Food52 and former *New York Times* food columnist, brings her signature voice and expertise to this compendium of influential and delicious recipes from chefs, home cooks, and food writers. Devoted *Times* subscribers will find the many treasured recipes they have cooked for years—Plum Torte, David Eyre's Pancake,

Pamela Sherrid's Summer Pasta—as well as favorites from the early Craig Claiborne New York Times Cookbook and a host of other classics—from 1940s Caesar salad and 1960s flourless chocolate cake to today's fava bean salad and no-knead bread. Hesser has cooked and updated every one of the 1,000-plus recipes here. Her chapter introductions showcase the history of American cooking, and her witty and fascinating headnotes share what makes each recipe special. The Essential New York Times Cookbook is for people who grew up in the kitchen with Claiborne, for curious cooks who want to serve a nineteenth-century raspberry granita to their friends, and for the new cook who needs a book that explains everything from how to roll out dough to how to slow-roast fish—a volume that will serve as a lifelong companion.

critic of The New Yorker. John Lahr has produced a theater biography like no other. Tennessee Williams: Mad Pilgrimage of the Flesh gives intimate access to the mind of one of the most brilliant dramatists of his century, whose plays reshaped the American theater and the nation's sense of itself. This astute, deeply researched biography sheds a light on Tennessee Williams's warring family, his guilt, his creative triumphs and failures, his sexuality and numerous affairs, his misreported death, even the shenanigans surrounding his estate. With vivid cameos of the formative influences in Williams's life—his fierce, belittling father Cornelius; his puritanical, domineering mother Edwina; his demented sister Rose, who was lobotomized at the age of thirty-three; his beloved grandfather, the Reverend Walter Dakin—Tennessee Williams: Mad Pilgrimage of the Flesh is as much a biography of the man who created A Streetcar Named Desire, The Glass Menagerie, and Cat on a Hot Tin Roof as it is a trenchant exploration of Williams's plays and the tortured process of bringing them to stage and screen. The portrait of Williams himself is unforgettable: a virgin until he was twenty-six, he had serial homosexual affairs thereafter as well as long-time, bruising relationships with Pancho Gonzalez and Frank Merlo. With compassion and verve, Lahr explores how Williams's relationships informed his work and how the resulting success brought turmoil to his personal life. Lahr captures not just Williams's tempestuous public persona but also his backstage life, where his agent Audrey Wood and the director Elia Kazan play major roles, and Marlon Brando, Anna Magnani, Bette Davis, Maureen Stapleton, Diana Barrymore, and Tallulah Bankhead have scintillating walk-on parts. This is a biography of the highest order: a book about the major American playwright of his time written by the major American drama critic of his time.

The Essential Wayne Dyer Collection Jul 16

2021 The #1 New York Times best-selling author Wayne Dyer has been inspiring people to change their lives for many years. Now three of his most fascinating books are collected in this single volume: • The Power of Intention details Wayne's research on intention as a force in the universe that allows the act of creation to take place. He explains that it is not something we do, but rather an energy we're a part of. This is the first book to look at intention as a field of energy that we can access to begin co-creating our lives. • Inspiration dissects feelings of emptiness, the idea that there must be something more, and trying to determine the meaning of life . . . all evidence of a yearning to reconnect with our soul space. This book explains how we've chosen to enter this world of particles and form, and each chapter is filled with specifics for living an inspired life. From a very personal viewpoint, Wayne offers a blueprint through the world of Spirit to inspiration, our ultimate calling. • Excuses Begone! reveals how to change the self-defeating thinking patterns that have prevented us from living at the highest levels of success, happiness, and health. Wayne presents many of the conscious and subconscious crutches most of us employ, along with ways to cast them aside once and for all. The old, habituated ways of thinking will melt away as the absurdity of hanging on to them is exposed, and we ultimately come to realize that there are no excuses worth defending—ever. The Essential Wayne Dyer Collection is a must-read for those wanting to explore the power and potential of the human mind, as well as anyone who is finally ready to live the best life possible!

The Essential Law of Attraction Collection Jan 22 2022 The Essential Law of Attraction Collection is the perfect read for those who want to deepen their understanding of the Teachings of Abraham, as well as anyone who would like to have three wonderful books by Esther and Jerry together in one special edition! •The Law of Attraction presents the powerful basics of the original Teachings of Abraham®. You've most likely heard the saying "Like attracts like," and although the Law of Attraction has been alluded to by some of the greatest teachers in history, it has never been explained in as clear and practical terms as it is in these pages. •Money, and the Law of Attraction shines a spotlight on two subjects troubling many people today: money and physical health. This book was written to deliberately align you with the most powerful law in the universe—the Law of Attraction—so that you can make it work specifically for you, no matter what your life experience may be. •The Vortex will help you understand every relationship you are currently involved in or have ever experienced. It uncovers a myriad of false premises that are at the heart of every uncomfortable relationship issue, and guides you to a clear understanding of the creative Vortex that has already assembled the relationships that you have desired.

Essential Lessons on Leadership (Collection) Nov 19 2021 A brand new collection of expert advice on becoming a more successful and ethical leader 4 authoritative books bring together today's best advice on leading with

passion, inspiration, ethics, and charisma - and succeeding! This brand new collection will help you lead with passion, inspiration, and honor - and win! Moral Intelligence 2.0 reveals why the best-performing companies have leaders who actively apply moral values to achieve enduring personal and organizational success. Using many new examples and real case studies and new interviews with key business leaders, Doug Lennick and Fred Kiel identify connections between moral intelligence and higher levels of trust, engagement, retention, and innovation.

You'll find specific guidance on moral leadership in both large organizations and entrepreneurial ventures, and a new, practical, step-by-step plan for measuring and strengthening every component of moral intelligence in business. Next, in Do the Right Thing, former Southwest CEO James F. Parker shows why "doing the right thing" isn't just naïve "feel-goodism": it's the most powerful rule for business success. Parker reveals how Southwest's extraordinary culture of mutual respect and trust developed, offering deeply personal insights into principles that can make any team, organization or company strong. You'll discover how great leaders are found at every level, "hire for attitude and train for skills," achieve unparalleled teamwork, and actually make work fun. In the updated edition of his national best-seller Winners Never Cheat, Jon Huntsman proves that you can succeed at the highest levels, without sacrificing the principles that make life worth living. This book is about remembering why you work, and why you were chosen to lead. It's about finding the bravery to act on what you know is right, no matter what you're up against. It's about winning - the right way. Finally, in Ultimate Leadership, Russell E. Palmer helps you shape your leadership approach to your unique challenges, contexts, and organizations, without compromising what matters most. Palmer--who has had highly successful careers leading one the world's largest accounting firms, as Dean of the Wharton School, and as an entrepreneur--helps you identify the leadership model most appropriate for your environment, and how to lead accordingly. You'll learn better ways to lead equals, help organizations weather crises, transform culture, lead entrepreneurial or global organizations...even lead non-profits and universities.
