As the voice of our God - the one who brought us into this world - and the one who will take us out of this world; can we leave unturned any pebble of knowledge or wisdom that voice may offer to us? Or, are we to be open to all that God may put before us - in plain speech - and in the deeper, fuller speech of symbolism in his Holy Word?

The Last Christian Generation Nov 19 2021 The research on the current generation of young people reveals an alarming fact: they have redefined what it means to be Christian. The majority of our church-ed young people do not believe Christ is the Son of God, do not believe the Holy Spirit is a real entity, and think 'doing good' earns them a place in heaven. And just as disturbing is the fact that their attitudes and behavior are virtually no different than those of non-Christians. In this defining message of his 40 years of ministry, Josh McDowell strikes at the heart of the problem and offers a clear solution. "We must bring this new generation face to face with who Christ really is," Josh explains. "They know the facts, but they don't know Him. They are believing distorted views of Christianity. This means we must first model Christlikeness to them and then continually lead them through a basic spiritual formation process that sets them on a solid foundation for building a life that is authentically Christian." Reintroduce the real and relevant Christ to your young people, lead them through the process of Christlikeness and you may very well ignite a spiritual revolution for an entire generation.
