Add this amazing kids book to your cart and ENJOY!

Coronavirus: A Book for Children Dec 09 2020 What is the coronavirus, and why is everyone talking about it? Engagingly illustrated by Axel Scheffler, this approachable and timely book helps answer these questions and many more, providing children aged 5-10 and their parents with clear and accessible explanations about the coronavirus and its effects - both from a health perspective and the impact it has on a family's day-to-day life. With input from expert consultant Professor Graham Medley of the London School of Hygiene & Tropical Medicine, as well as advice from teachers and child psychologists, this is a practical and informative resource to help explain the changes we are currently all experiencing. The book is free to read and download, but Nosy Crow would like to encourage readers, should they feel in a position to, to make a donation to: <https://www.nhscharitiestogether.co.uk/>

How to Talk So Little Kids Will Listen Jan 22 2022 "New stories & strategies based on ... 'How to talk so kids will listen & listen so kids will talk'"--Cover.

**A Book for Kids Jul 04 2020 I'd like to be a baker, and come when morning breaks,
Calling out, "Beeay-ko!" (that's the sound he makes)--Riding in a rattle-cart that jogs and jolts and shakes, Selling all the sweetest things a baker ever bakes;Currant-buns and brandy-snaps, pastry all in flakes; But I wouldn't be a baker if . . . I couldn't eat the cakes. Would you?THE DAWN DANCEWhat do you think I saw to-day when I arose at dawn?Blue Wrens and Yellow-tails dancing on the lawn!Bobbing here, and bowing there, gossiping away, And how I wished that you were there to see the merry play!But you were snug abed, my boy, blankets to your chin, Nor dreamed of dancing birds without or sunbeams dancing in.Grey Thrush, he piped the tune for them. I peeped out through the glassBetween the window curtains, and I saw them on the grass--Merry little fairy folk, dancing up and down, Blue bonnet, yellow skirt, cloaks of grey and brown, Underneath the wattle-tree, silver in the dawn, Blue Wrens and Yellow-tails dancing on the lawn.**

CUPPACUMALONGA'Rover, rover, cattle-drover, where go you to-day?'I go to Cuppacumalonga, fifty miles away; Over plains where Summer rains have sung a song of glee, Over hills where laughing rills go seeking for the sea, I go to Cuppacumalonga, to my brother Bill. Then come along, ah, come along! Ah, come to Cuppacumalonga! Come to Cuppacumalonga Hill!'Rover, rover, cattle-drover, how do you get there?'For twenty miles I amble on upon my pony mare, The walk awhile and talk awhile to country men I know, Then up to ride a mile beside a team that travels slow, And last to Cuppacumalonga, riding with a will. Then come along, ah, come along! Ah, come to Cuppacumalonga! Come to Cuppacumalonga Hill!'Rover, rover, cattle-drover, what do you do then?'I camp beneath a kurrajong with three good cattle-men; Then off away at break of day, with strong hands on the reins, To laugh and sing while mustering the cattle on the plains--For up to Cuppacumalonga life is jolly still. Then come along, ah, come along! Ah, come to Cuppacumalonga! Come to Cuppacumalonga Hill!'Rover, rover, cattle-drover, how may I go too?'I'll saddle up my creamy colt and he shall carry you-- My creamy colt who will not bolt, who does not shy nor kick-- We'll pack the load and take the road and travel very quick.And if the day brings work or play we'll meet it with a will. So Hi for Cuppacumalonga! Come Along, ah, come along! Ah, come to Cuppacumalonga Hill!

Naptime with Theo and Beau Jun 02 2020 It all started when a loving mother posted a few pictures of her son, Beau, and their new puppy, Theo, napping together on her popular blog Momma's Gone City. But these pictures were so "unbearably adorable" (The Daily Mail) and "utterly charming" (The Huffington Post) that it quickly became much, much more. By faithfully recording and sharing what Good Morning America calls "the most mesmerizing naps ever caught on camera," Jessica Shyba and her family captured the hearts of people all over the world, and these beautiful images of friendship and trust have become an international viral sensation.

Raising Generation Tech Nov 07 2020 Today's children are being raised as 'digital natives' in a world dominated by popular culture and technology. TV shows, computers, video games, social networking sites, advertisements, and cell phones too often have an unnecessarily strong-and negative influence on children. But pulling the plug just isn't an option in a world where being connected is essential for success. In *Raising Generation Tech*, noted parenting and new-media expert Dr. Jim Taylor explores how popular culture and technology shape children's lives. The essential message from *Raising Generation Tech* is that excessive or unguided exposure to popular culture and technology is not good for children. Rather than offering the usual 'end of days' scenario, Dr. Taylor offers a balanced and optimistic perspective that offers parents insights and practical information they need to ensure that popular culture and technology are tools that benefit their children rather than weapons that hurt them. *Six Messages From Raising Generation Tech*: Popular culture may be the powerful influence on children today and most of that influence is not healthy to children. Children are being exposed to technology earlier than ever without proper limits or guidance. Excessive exposure to popular culture and technology has been linked to many childhood problems including shorter attention spans, lower grades in school, increased sexual activity and drug use, and obesity. Too early and unguided immersion in popular culture and technology will actually hinder rather than better prepare children for life in the digital world. Key areas in which parents should focus their child-rearing attention include their children's self-identity, values, thinking, relationships, and physical and mental health. The goal for parents is not to disconnect their children, but rather to expose them to popular culture and technology when they are developmentally ready and then give them the perspectives, attitudes, and tools they need to thrive in this digital age. "Raising Generation Tech argues convincingly that children should be raised by their parents, not by popular

culture or technology. Dr. Taylor tackles this difficult task with state-of-the-art psychological theory, the latest research, engaging anecdotes, and a healthy dose of sensitivity and humor. **Raising Generation Tech** is a must read for parents who want their children to thrive in this media-fueled world (which means all parents!). Larry Rosen, Ph.D., author of **iDisorder: Understanding Our Obsession With Technology and Overcoming its Hold on Us** "Raising Generation Tech will be an eye opener for parents! Rather than offering the usual 'end of the world' scenario, Dr. Jim Taylor offers a balanced perspective that gives parents the insights and practical information they need to ensure that popular culture and technology are tools that benefit their children rather than weapons that harm them." Michele Borba, Ed.D., TODAY show contributor and author of **The Big Book of Parenting Solutions: 101 Answers to Your Everyday Challenges and Wildest Worries** "The essential message of Raising Generation Tech is that excessive or unguided exposure to popular culture and technology is not good for children. In today's world, parents can't just sit back and play defense. Dr. Jim Taylor empowers parents to prepare their children for life in this digital age." Michelle LaRowe, Author of **A Mom's Ultimate Book of Lists, Working Mom's 411 and the Nanny to the Rescue!** parenting series

Fiona Goes to School Jul 28 2022 Join Fiona the hippo, the adorable internet sensation from the Cincinnati Zoo and Botanical Gardens, as she and her friends start a zoo school to learn more about their fellow animals. With clear instructions for quick and fun family activities, this e-book is the perfect resource for parents to get involved in their child's education and set them up for a successful school year.

Who Ate My Sandwich? Aug 17 2021 □ **WHO ATE MY SANDWICH** □ Uncle Jake thought that quiet days were the best, He'd relax at home with a book and time to rest. Though parties were no pleasure for Uncle Jake, On his birthday, the whole family came with a cake. This year on his birthday there was a football game, Watching a re-run just wouldn't be quite the same. ** prisrob TOP 500 REVIEWERVINE VOICE: Have you ever made a mistake? If you did, what did you do to make it better? The author, Sigal Adler, has written a fun book about Uncle Jake. Uncle Jake was a busy man, and on his day of rest that is exactly what he liked to do, rest. Uncle Jake liked to rest and watch football on television. One day of rest was his birthday, and his family arrived to celebrate. Uncle Jake would much prefer to watch football, but he welcomed his family. They had a delicious cake, and a special gift for Uncle Jake, they gave him a puppy! What do you think Uncle Jake thought about a puppy? When you read this book, you will, understand and appreciate the rest of the story. Parents/teachers will enjoy reading this story to their children. The children will love the puppy and the storyline. They can talk about the lessons learned, making judgements before you know the story. This book is written in rhyme, one of my favorite ways to read to children. The illustrations by Abira Das are bright, colorful and beautiful. They depict the storyline and Uncle Jake and the puppy. I like books with lessons learned. ** Uvi Poznansky: Uncle jake is grouchy, and he has a problem: despite the fact he enjoys his solitude, the whole family comes to visit him on his birthday. This year on his birthday there was a football game Watching a rerun just wouldn't be the same. As always I find great pleasure in the colorful illustrations that bring out the humor in the light verse of this children's book. You can see his cheeks being pinched, with great glee, by a family member. This is a moment every child can relate to! He already had a headache; he hadn't rested a bit, When his aunt pinched his cheek he nearly had a fit! To add to his anger, his sandwich had been eaten, and he must find the culprit, his puppy: Jake shook his fist and yelled: Don't ever do that again! You're a bother! Now let me watch the game in my den." Will he ever grow comfortable with enjoying the birthday gifts and good wishes? Find out, get this book! Five stars.

What Experts Are Saying About Ebooks for Kids Sep 17 2021 Children's ebooks can be a lot of fun for the entire family. A House for a Mouse May 14 2021 A delightful rhyming story with fun illustrations and a great positive message! A great read out loud picture book to help teach your kids about kindness. A book they'll love reading, and you'll love reading with them! "One thundery night I was cosy and warm, under the covers and safe from the storm. I was lying awake counting sheep in my head, when I heard something moving under my bed. Suddenly I was trembling with fear. Could there be a monster about to appear? Then I heard it again, that scuttling sound. It was so scary it made my heart pound!" A delightful story with bright, fun illustrations and a great positive message! "A House for a Mouse" is a bright, fun way for younger children to learn about friendship, kindness and generosity. When a young boy hears a noise under his bed, he fears there may be a monster about to appear. But it isn't a monster, it is a little mouse looking for somewhere warm and dry to spend the night. Combining wonderfully vibrant illustrations with the power of rhythm and rhyme, "A House for a Mouse" is a perfect bedtime story and a must read for kids starting their reading journey. **"RED BEETLE BOOKS"** Following in the great tradition of moral tales, Red Beetle Books are designed to teach important life lessons in a fun and entertaining way. Exploring subjects like sharing, kindness, friendship, understanding differences, facing challenges and adapting to change, Red Beetle Books will help your child develop their emotional intelligence, while fostering a life long love of books and reading. This book is suitable for children from 3-8 years. If you're looking for fun books with a great message, (that your kids will actually want to read) check out the whole series. Look for these other RED BEETLE titles now... "Horses For Courses" -on adapting to change, and developing resilience. "Shog's Best Friends"-on friendship and diversity. "The Cribbledy Crank" (or how to train an angry bug)- on mindfulness and anger management. "Where's My Bear?"- on sharing and generosity of spirit. "Frogs In Space"- on finding good where ever you are, developing a positive, resilient mindset. ***Visit our website, like us on Facebook and Instagram, join our mailing list, follow us on twitter and be the first to know when new titles are released.

A Quest of Heroes (Book #1 in the Sorcerer's Ring) Dec 29 2019 "A breathtaking new epic fantasy series. Morgan Rice does it again! This magical saga reminds me of the best of J.K. Rowling, George R.R. Martin, Rick Riordan, Christopher Paolini and J.R.R. Tolkien. I couldn't put it down!" --Allegra Skye, Bestselling author of **SAVED** From #1 Bestselling author Morgan Rice comes the debut of a dazzling new fantasy series. **A QUEST OF HEROES (BOOK #1 IN THE SORCERER'S RING)** revolves around the epic coming of age story of one special boy, a 14 year old from a small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King's men and protecting the Ring from the hordes of creatures on the other side of the Canyon. When he comes of age and is forbidden by his father to try out for the King's Legion, he refuses to take no for an answer: he journeys out on his own, determined to force his way into King's Court and be taken seriously. But King's Court is rife with its own family dramas, power struggles, ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen

one to arrive. Thorgrin arrives as an outsider and battles to be accepted, and to join the King's Legion. Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift, and a special destiny. Against all odds he falls in love with the king's daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring him down—and the entire kingdom with him. With its sophisticated world-building and characterization, *A QUEST OF HEROES* is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 82,000 words. Book #2 in the series, *A MARCH OF KINGS*, is now available, too. "Grabbed my attention from the beginning and did not let go....This story is an amazing adventure that is fast paced and action packed from the very beginning. There is not a dull moment to be found." --Paranormal Romance Guild {regarding Turned} "Jam packed with action, romance, adventure, and suspense. Get your hands on this one and fall in love all over again." --vampirebooksite.com (regarding Turned) "A great plot, and this especially was the kind of book you will have trouble putting down at night. The ending was a cliffhanger that was so spectacular that you will immediately want to buy the next book, just to see what happens." --The Dallas Examiner {regarding Loved}

Ferdinand Fox's Big Sleep Aug 24 2019 When Peter Maceever spots Ferdinand Fox sleeping in his garden he tiptoes out to take a photo. At the click of the camera Ferdinand briefly stirs as his dreamy blancmange goes blurred. But he is far too lazy to move and is soon back asleep, dreaming about cake and ice cream! The first of six delightful rhyming stories about Ferdinand, a kind-hearted urban fox. Read aloud to 3-6 year-olds or for confident readers and adults to enjoy themselves! Look out for more Ferdinand Fox stories in 2013! www.FerdinandFox.co.uk

The Children's Book May 02 2020 From the renowned author of *Possession*, *The Children's Book* is the absorbing story of the close of what has been called the Edwardian summer: the deceptively languid, blissful period that ended with the cataclysmic destruction of World War I. In this compelling novel, A.S. Byatt summons up a whole era, revealing that beneath its golden surface lay tensions that would explode into war, revolution and unbelievable change — for the generation that came of age before 1914 and, most of all, for their children. The novel centres around Olive Wellwood, a fairy tale writer, and her circle, which includes the brilliant, erratic craftsman Benedict Fludd and his apprentice Phillip Warren, a runaway from the poverty of the Potteries; Prosper Cain, the soldier who directs what will become the Victoria and Albert Museum; Olive's brother-in-law Basil Wellwood, an officer of the Bank of England; and many others from every layer of society. A.S. Byatt traces their lives in intimate detail and moves between generations, following the children who must choose whether to follow the roles expected of them or stand up to their parents' "porcelain socialism." Olive's daughter Dorothy wishes to become a doctor, while her other daughter, Hedda, wants to fight for votes for women. Her son Tom, sent to an upper-class school, wants nothing more than to spend time in the woods, tracking birds and foxes. Her nephew Charles becomes embroiled with German-influenced revolutionaries. Their portraits connect the political issues at the heart of nascent feminism and socialism with grave personal dilemmas, interlacing until *The Children's Book* becomes a perfect depiction of an entire world. Olive is a fairy tale writer in the era of Peter Pan and Kenneth Grahame's *The Wind In the Willows*, not long after Alice's *Adventures in Wonderland*. At a time when children in England suffered deprivation by the millions, the concept of childhood was being refined and elaborated in ways that still influence us today. For each of her children, Olive writes a special, private book, bound in a different colour and placed on a shelf; when these same children are ferried off into the unremitting destruction of the Great War, the reader is left to wonder who the real children in this novel are. *The Children's Book* is an astonishing novel. It is an historical feat that brings to life an era that helped shape our own as well as a gripping, personal novel about parents and children, life's most painful struggles and its richest pleasures. No other writer could have imagined it or created it.

Kids Learn! Grades 5-6 - eBook Nov 27 2019 Prevent learning loss while students are away from school, and help parents set their child up for a successful upcoming school year with the second edition of this parent-involvement resource! The Burgess Bird Book for Children Dec 21 2021

Make and Takes for Kids Feb 29 2020 50 seasonal projects to make with kids
Highlighting the best of each month of the year, Make and Takes for Kids offers 50

projects to make with kids, each centered around an upcoming holiday or season. The ideas are unique and simple to produce, and each project is thoughtfully constructed and designed to create an ideal environment and setting for crafting. Each craft requires little preparation, few supplies, and almost everything can be readily found at home or at a local craft supply store. Crafting isn't just playtime; there's a purpose to all the gluing, cutting, and coloring. Children are learning hand-eye coordination, fine motor skills, problem solving, math, teamwork, and individual expression. They are exercising creativity and building their imaginations. Make and Takes for Kids highlights the learning objectives and skills that children will attain as they complete each craft. Parents learn the benefits of spending time to create and craft with their children, and see the growth and creativity that children can experience while crafting. 50 projects to make crafts and food with kids, from a Marshmallow Graham Cracker Snowman and Flower Garden Cupcakes to an Egg Carton Octopus and Rainbow Ring Bottle Toss Ten activities are included that can be crafted with recycled materials, making the crafts easy to produce as well as budget-friendly Projects demonstrate that you don't have to buy expensive supplies or make elaborate activities to have fun crafting and creating If you're a mom, teacher, or caregiver looking to enhance the time and quality spent with young children, Make and Takes For Kids makes it easy to have fun crafting with kids.

The Book of Hopes Apr 24 2022 In difficult times, what children really need is hope. This collection, packed with short stories, poems, essays and pictures from the very best children's authors and illustrators, aims to provide just that. Within its pages you'll find animal friends from insects to elephants, high-flying grandmas, a homesick sprite, the tooth fairy, and even extra-terrestrial life. This new edition has 133 contributions from children's authors and illustrators, including Lauren Child, Anthony Horowitz, Catherine Johnson, Michael Morpurgo, Onjali Q. Raúf, Axel Scheffler and Jacqueline Wilson. A donation from every sale will go to NHS Charities Together, in gratitude for the incredible efforts of all those who worked in hospitals over the quarantine period. The following proceeds from this ebook will be donated to NHS Charities Together: 35% of publisher's net receipts or at least £1.00 per copy. NHS Charities Together is a charity registered in England and Wales (registered charity no. 1186569)

***The Bad Seed* Jan 10 2021** A New York Times bestseller! Amazon Prime's Most Read Title of 2019! An Amazon Best Children's Book of the Month from the New York Times bestselling author of the Goodnight Already! series This is a book about a bad seed. A baaaaaaaaaad seed. How bad? Do you really want to know? He has a bad temper, bad manners, and a bad attitude. He's been bad since he can remember! This seed cuts in line every time, stares at everybody and never listens. But what happens when one mischievous little seed changes his mind about himself, and decides that he wants to be—happy? With Jory John's charming and endearing text and bold expressive illustrations by Pete Oswald, here is *The Bad Seed*: a funny yet touching tale that reminds us of the remarkably transformative power of will, acceptance, and just being you. Perfect for readers young and old, *The Bad Seed* proves that positive change is possible for each and every one of us.

***The Burgess Animal Book for Children* Mar 12 2021** Introduces the habits and characteristics of many of the North American mammals through a fictitious story.

Kids Learn! Grades 3-4 - eBook Sep 25 2019 This parent-friendly resource is bursting with easy-to-use, full-color activities that are sure to keep students sharp during the away-from-school gap! Students risk falling behind at the start of a new school year without practicing skills learned in the previous year. The second edition of this parent-involvement resource provides students with reading, writing, and mathematics activities aligned to Common Core and other state standards that reinforce learning from third grade and prepare them for fourth grade. With clear instructions for quick and fun family activities, this is the perfect resource for parents to get involved in their child's education and set them up for a successful school year.

Dragon's Breath: (children Books about Health) Jul 16 2021 What happens when a Dragon doesn't brush his teeth? Well...We all heard about the "dragon's breath". That's why learning proper dental care is really important for a little boy and his friend Dragon Joe. Here's what readers are already saying about this amazing children book about health: "This picture book inspire dental hygiene and encourage kids to brush their teeth while having fun." -- John "This is a really helpful story because I've never met a preschool kid who was motivated to brush his teeth" -- Kate "This is just too funny because I keep thinking about this happening with my family. My kids loved the Dragon Joe " -- Liz This is a story about a Dragon that hates brushing his teeth. Going to the dentist is also a huge problem for Joe. He gets in funny situations like he can't smile anymore because his teeth look strange. His breath also smells terrible so he can't speak

to his friend little boy. Finally, a friend shows him the importance of good hygiene, and they are having fun brushing their teeth. Warning! Cuteness overload, so be ready! This book has a great kindergarten story and fantastic illustrations that will make you happier or just put a smile on your face. You and your kids will love this kids book...grab it now while it's still available at this discounted price.

Dora's Sleepover (Dora the Explorer) Oct 31 2022 Dora is getting ready for a sleepover with Boots at his tree house. This Nickelodeon Read-Along contains audio narration.

The Silliest Dragon May 26 2022 Sometimes the silliest dragon gets in trouble. Looking for a fun bedtime story filled with silliness and love to share with your kids? The Silliest Dragon has a message for you.

The Children's Book of Stars Mar 24 2022

Goodnight iPad Jan 28 2020 A parody of the children's classic and a hilarious gift for anyone that finds modern life funny and absurd. In a bright buzzing room, in the glow of the moon-and iPhones and Androids and Blackberries too-it is time to say goodnight... Modern life is abuzz. There are huge LCD WiFi HD TVs and Facebook requests and thumbs tapping texts and new viral clips of cats doing flips. Wouldn't it be nice to say goodnight to all that? Like the rest of us who cannot resist just a few more scrolls and clicks, you may find yourself ready for bed while still clinging to your electronics long after dark. This book, which is made of paper, is a reminder for the child in all of us to power down at the end of the day. This hilarious parody not only pokes loving fun at the bygone quiet of the original classic, but also at our modern plugged-in lives. It will make you laugh, and it will also help you put yourself and your machines to sleep. Don't worry, though. Your gadgets will be waiting for you, fully charged, in the morning.
