Studying at University Oct 23 2019 ?For those attending university for the first time, the demands made on them academically and socially can seem daunting. Studying at University equips you with strategies for making the most out of the experience from the moment you arrive until after you leave. Written with fresh insight, the book addresses key issues such as: adjusting to

life at university making presentations working in small groups library and computer resources making the most from lectures and seminars basic numeracy and statistics. Studying at University also presents you with new ways of learning. Discover ways of developing memory techniques as an aid for not just exams, but so you can reap the best rewards from the subject matter in hand. Ways of coping with exam and test anxieties are addressed, and a final section looks at preparing for job interviews after university life. Packed with illustrative material and practical exercises, Studying at University enables you to perform at your very best academically. SAGE Study Skills are essential study guides for students of all levels. From how to write great essays and succeeding at university, to writing your undergraduate dissertation and doing postgraduate research, SAGE Study Skills help you get the best from your time at university. Visit the SAGE Study Skills hub for tips, resources and videos on study success!

Another Kind of Justice Jan 18 2022 This text provides insights into military justice in Canada, the purpose of military law, and the level of professionalism within the Canadian military. It describes the statutes and regulations that govern Canada's armed forces and the institutions responsible for overseeing military law.

Ace Your Exam Aug 01 2020 This practical and reassuring guide will ensure your students pass their exams with flying colours. Ace Your Exam establishes a clear, simple framework for revision and helps students get to grips with what exams are all about. Part 1 begins by exploring institutional expectations and common anxieties and exam myths, before showing students how to tackle various types of exam, including essay-based exams, short-answer questions, multiple-choice questions, calculation-based exams and open book exams. Part 2 helps readers plot an effective revision strategy for an imminent exam and, equally important, a detailed strategy for optimal use of time and productive powers during the exam. Finally, Part 3 helps students put their plans into action. Ace Your Exam will be an essential companion to all students preparing for and taking exams.

Killing Mr. Griffin Jan 26 2020 From beloved author Lois Duncan comes a frightening novel about a group of students who set out to teach their malicious teacher a lesson -- only to learn that one of them could be a killer. Mr. Griffin is the strictest teacher at Del Norte High, with a penchant for endless projects and humiliating students. Even straight-A student Susan can't believe how mean he is to her crush, Dave, and to the charismatic Mark Kinney. So when Dave asks Susan to help a group of students teach Mr. Griffin a lesson of their own, she goes along with them. After all, it's a harmless prank, right? But things don't go according to plan. When one "accident" leads to another and people begin to die, Susan and her friends must face the awful truth: one of them is a killer.

Teaching English Mar 20 2022 Reflective practice is at the heart of effective teaching, and this book helps you develop into a reflective teacher of English. Everything you need is here: guidance on developing your analysis and self-evaluation skills, the knowledge of what you are trying to achieve and why, and examples of how experienced teachers deliver successful lessons. The book shows you how to plan lessons, how to make good use of resources and how to assess pupils' progress effectively. Each chapter contains points for reflection, which encourage you to break off from your reading and think about the challenging questions that you face as a new teacher. The book comes with access to a companion website, www.sagepub.co.uk/secondary, where you will find: - Videos of real lessons so you can see the skills discussed in the text in action - Links to a range of sites that provide useful additional support - Extra planning and resource materials. If you are training to teach English this book will

help you to improve your classroom performance, by providing you with practical advice, but also by helping you to think in depth about the key issues. It also provides examples of the research evidence that is needed in academic work at Masters level, essential for anyone undertaking an M-level PGCE.
