Velociraptor, now known to have been covered in feathers. And don't forget about the king of them all: a ferocious T-Rex, which could eat 500 pounds of meat in one bite! New to the series, on the back of each image is a paragraph of lively text packed with facts about the dinosaur pictured, how it lived, and how to pronounce its name. Designed especially for children and their smaller hands, the Paint by Sticker Kids series offers a quiet, completely absorbing, no-mess activity that—bonus!—encourages kids to practice number recognition without them even thinking they're doing math. The way it works is simple: Find the numbered sticker, peel it, and place it in the right space. Add the next, and the next—and see the images come to life in the “low-poly” style that uses geometric shapes. The card-stock pages are perforated, allowing the artwork to be easily removed so kids can hang them up as decorations or proudly display them on the fridge. In other words, hours and hours of artistic fun with none of the hassle or cleanup! **Paint by Sticker Kids: Unicorns & Magic** Sep 13 2021 Paint a magical world with stickers (including glitter stickers)! Paint by Sticker Kids: Unicorns & Magic includes everything kids need to create ten vibrant images, including unicorns, a dragon, a princess, and more. Step 1: Find the sticker. *The Grown-Up's Guide to Paint Pouring with Kids* Sep 25 2022 The Grown-Up's Guide series features how-to projects, creative prompts, and crafting activities that will inspire you and your little ones to spend hours of fun together. Now you can learn the fun, trendy paint pouring technique—and teach your kids to do it too! Paint pouring, also known as fluid art, uses acrylic paint and a variety of everyday tools to create colorful, abstract art poured on canvases and other surfaces. With *The Grown-Up's Guide to Paint Pouring With Kids*, prepare to get messy—some techniques require touching or even hitting the paint—but that's half the fun! Kids will love the tactile nature of paint pouring, while you and the other grown-ups in their lives will feel good knowing that your children are exercising their creative and artistic playful side. The book opens with an introduction to the affordable tools required to pour paint, from cups and canvases to stir sticks, paper, reusable straws, and more. Older kids—with the help of their parents, of course—might even learn to use a heat torch to create the cell-like structure typical in fluid art. Techniques are outlined so that you and your children can read about the pouring process before getting started. Then there are chapters on color mixing tips, instructions for finishing paintings with varnish and other materials, and much more. The step-by-step projects that follow are fun, easy, and easily customizable by color, surface, and skill level. They can even be done on surfaces other than canvas, such as coasters, pieces of wood, gift boxes, and much more. Kids of all ages will love pouring paint. You can help too, ensuring family togetherness for hours as you and your children learn to create colorful, abstract art together with *The Grown-Up's Guide to Paint Pouring With Kids*.

Daily Painting Aug 20 2019 A unique system for jump-starting artistic creativity, encouraging experimentation and growth, and increasing sales for artists of all levels, from novices to professionals. Have you landed in a frustrating rut? Are you having trouble selling paintings in galleries, getting bogged down by projects you can't seem to finish or abandon, or finding excuses to avoid working in the studio? Author Carol Marine knows exactly how you feel—she herself suffered from painter's block, until she discovered "daily painting." The idea is simple: do art (usually small) often (how often is up to you), and if you'd like, post and sell it online. Soon you'll find that your block dissolves and you're painting work you love—and more of it than you ever thought possible! With her encouraging tone and useful exercises, Marine teaches you to: -Master composition and value -Become confident in any medium including oil painting, acrylic painting, watercolors, and other media -Choose subjects wisely -Stay fresh and loose -Photograph, post, and sell your art online -Become connected to the growing movement of daily painters around the world

Move over, coloring books! Here's an entirely new craft that kids will love: Paint by Sticker Kids. Paint by Sticker Kids is the same compelling craft first introduced in Paint by Sticker, but just for kids! The book includes everything you need to create 10 bright, playful, full-color illustrations—illustrated templates printed on perforated card stock, and 10 pages of stickers to fill in and create the artwork. The fun, vibrant images are rendered in "low-poly," a computer graphics style using geometric polygon shapes to create a 3-D effect. As in paint-by-number, each template is divided into hundreds of spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next and voila! It's a rocket ship blasting through space. A Tyrannosaurus rex prowling his domain. A pickup truck hauling its load. A friendly toucan hanging on his perch. Kids will love watching these pictures come to life. Plus, each is suitable for framing or the fridge.

*Little Frida* Apr 27 2020 Young Frida Kahlo's imaginary friend comes to life in a touching story by Anthony Browne enhanced by exquisite surreal illustrations. Following a bout with polio at the age of six, Frida Kahlo's life was marked by pain and loneliness. In real life she walked with a limp, but in her dreams she flew. One day her imagination took her on a journey to a girl in white who could dance without pain and hold her secrets, an indelible figure who would find her way into Frida's art in years to come. Inspired by Frida Kahlo's diary, Anthony Browne captures the essence of the artist's early flights of fancy and depicts both Frida and her imaginary friend in vivid illustrations evoking Kahlo's iconic style. A note at the end offers a brief biography of the artist who has intrigued art lovers the world over.

important painters and art movements. If someone asked you to paint a snowman, you would probably start with three white circles stacked one upon another. Then you would add black dots for eyes, an orange triangle for a nose, and a black dotted smile. But if Picasso painted a snowman... From that simple premise flows this delightful, whimsical, educational picture book that shows how the artist's imagination can summon magic from a prosaic subject. Greg Newbold's chameleon-like artistry shows us Roy Lichtenstein's snow hero saving the day, Georgia O'Keefe's snowman blooming in the desert, Claude Monet's snowmen among haystacks, Grant Wood's American Gothic snowman, Jackson Pollock's snowman in ten thousand splats, Salvador Dali's snowmen dripping like melty cheese, and snowmen as they might have been rendered by J. M. W. Turner, Gustav Klimt, Paul Klee, Marc Chagall, Georges Seurat, Pablita Velarde, Piet Mondrian, Sonia Delaunay, Jacob Lawrence, and Vincent van Gogh. Our guide for this tour is a lively hamster who—also chameleon-like—sports a Dali mustache on one spread, a Van Gogh ear bandage on the next. "What would your snowman look like?" the book asks, and then offers a page with a picture frame for a child to fill in. Backmatter thumbnail biographies of the artists complete this highly original tour of the creative imagination that will delight adults as well as children. Fountas & Pinnell Level O
