Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. "Beautiful and propulsive . . . Dives into the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?"

Grandpa Smiles Aug 29 2022 Original oil paintings tell the story of how Grandpa watches over a little boy over the course of his life, even though Grandpa can be with him only in spirit. This book is a peaceful and healing read for adults and children alike. Gentle emotions, passionate and simple words communicate an inspirational message that love lives on, and family is forever.

A Man Approved of Gddn 14 2021 David J. Keyser, Ph.D. ** Christian Theology ** This book is about the humanity of Jesus Christ. The Christian Church has neglected this important Christian truth for too long. An understanding of the humanity of Jesus has been sacrificed to our understanding of his divinity. He is indeed Divine. But it is a costly mistake to forget about his humanity; it is here that we find our identity with Him. ISBN: 9780615164557 -- Dr. David J. Keyser has served as an international theology teacher and college adjunct faculty. His earned degrees include a B.S., an M.Div, an M.S., a Th.M., and a Ph.D. in Systematic Theology with a specialization in Pneumatology (the study of The Holy Spirit) from the University of Saint Andrews in Scotland, Presbyterianism's oldest University. His interests include the humanity of Christ, The Holy Spirit, and Biblical fiction.

Boulevardiers Jun 26 2022 The first book atop the Greenpoint Oil Spill. One week in New York City, 2006. A small group of broke gentrifiers and undocumented people working doggie daycare at a glorified kennel. They demonstrate, consummate, levitate, infuriate. Chasing New York, chased by New York. Part of the Brooklyn Historical Society's collection.

The God Portal Oct 26 2019 It began as a vacation out west for Jim Wagner and his family...until Jim discovers his brother, particle physicist Dr. Warren Wagner, is missing from his Nevada home. The mystery leads to the desert laboratory of corporate giant Forsythe-Hammond. There Jim discovers the truth behind Warren's disappearance and its connection to the company's deep secrets, a technology where faith and science collide. It's the beginning of a thrilling and dangerous adventure to rescue his brother. Jim is joined by the affable Lyle Bumgardner, particle physicist and atheist at heart; and by Dr. Lawrence Macklin, devout Christian and Biblical scholar. Their odyssey becomes destiny, a struggle for survival and a quest for truth, leading them to a place where faith and secular atheism alike will be put to the test. Their journey puts them on the trail of a historical Jesus...

365 Life-Changing Scriptures Day by Day Nov 02 2020 We all want our life to change for the better. These 366 inspirational daily devotionals were written for that purpose. You will notice that the date coincides with the chosen scripture. For example, the scripture for February 7 (2/7) is Proverbs 7. The Scripture for February 8 (2/8) is Genesis 2:8. They were written to be a guide for the rest of the day. If you prefer to read them at night, just read the devotional for the next day. These inspirational messages have endured the test of time. They have been sent on a daily basis for some ten years to around 30,000 people worldwide over the internet. While the author plans to continue this project, some people prefer to have them all together in book format since the internet is not always available or convenient. God bless you and God bless us all on our journey day by date to arrive some day in the future at our Glory Home.

Interrupted Nov 27 2019 Kathrine Lee...has an amazing ability to cheer people on to become winners. God designed them to be by communicating life changing stories wrapped in God's truth.-Lysa TerKeurst, President of Proverbs 31 Ministries and New York Times best-selling author The Winner's Way can be full of challenges. Often, we must fight to see the good in the world. Kathrine Lee refused to give up the fight. She believes there is good in the world, despite the pain and challenges we face. Learn how she found the spiritual strength and courage to stand up to disappointments and setbacks and find her path forward. A path that leads to joy, hope, and adventure. Lee left the church at a young age and wandered through dark valleys until she found her way back to the light. Once there, she became a passionate crusader for love and justice. In Interrupted, Lee discusses how she made difficult decisions that have given her such a fulfilling, satisfying spiritual and emotional existence. She shares her concern for anyone-but especially women-who has not felt the transformative power of God's grace. As Lee writes, that pain can be turned into an amazing purpose! Proceeds of her book will help her continue her work with Pure Hope Foundation, her nonprofit that assists in the restoration of those victimized by sex trafficking. "

Bear City Feb 29 2020 Based on the award-winning feature-length movie, Bear City: The Novel follows the funny, romantic, and often dramatic adventures of a tight-knit pack of bears, cub friends in New York City as they gear up for a big party weekend. A hirsute Sex and the City "Bear" scene, this story brings together these men, their friends, tricks, and lovers, and a cast of colorful, hirsute characters. They experience comical mishaps, lusty and romantic encounters, and an impressive variety of male body types. Using satire and humor, the novel exposes their exploration of men's self-image issues and pokes fun at aspects of urban gay lifestyles, all while celebrating the worldwide community of men who call themselves Bears.

God's Gold Mar 24 2022 In 1932, John T. Flynn had begun to rethink his old-style "progressive" approach to develop intellectually into a defender of markets as against the regimentation of government management. A first product of these steps is this classic and extraordinary full biography of John D. Rockefeller. In this highly sympathetic portrayal, Flynn shows how Rockefeller employed the tenets of capitalism to become enormously rich in the service of others, and how this unleashed the massive and unexpected backlash from anti-capitalists of all sorts, culminating in the breakup of Standard

saw that this was done at the behest of Rockefeller's competition, and not in the public interest. It is the first and probably still the best biography of an American original.

The Gospel Messenger, Jan 28 2020 Based on the Gospel of Matthew, this book is the first in the series. The only reason Luke is even at the church youth overnight event is because his father convinced him to go after an argument. His mother wants him to be baptized but, at 15, Luke doesn't believe he is old enough and doesn't know Jesus well enough. That changes when Luke meets an angel who says he has been chosen by God to deliver a message. First Luke must decide if what he saw and heard is real and then he must decide if he will go. Luke sets out on what he is sure will be an adventure with his friend Keith. Starting on bicycles they end up crossing half the United States on a mission for God. Along the way, they learn much more about loving Jesus while facing bullies, death, and even seeing death - - and Luke delivers God's message. He delivers it to a senior pastor at a church and the pastor doesn't even know he needs the message.

Mr Lazarus Jun 22 2019 '... a surging intensity that keeps the reader glued to the page.' - New York Times London. 1970. Vicky Graham, an unsuccessful film producer at the BBC, crosses the path of Luciano Raffi, a famous violinist, as he performs at the Proms. For Vicky he represented something she could not have, but something she longingly craved for. A chance to lift her out of the urban greyness of everyday life. Through her job at the BBC, she is able to organise an interview with him but their meeting triggers a renewed obsession with him. The reason? Luciano has something in common with Vicky - they both know about the portal. A secret history, nearly untraced, connects these distant souls. But will it last? Raffi is about to disappear from her life... To get him back she must travel to where and when she had never expected. She must uncover the secret history of the portal... Mr Lazarus is the latest book in Patrice Chaplin's series following The City of God and The Portal. Chaplin is a renowned international bestselling author. Praise for Patrice Chaplin 'Powerful romantic fiction in the tradition of Emily Bronte.' - Guardian '... a surging intensity that keeps the reader glued to the page.' - New York Times 'Genuinely witty horrors' - The Observer Patrice Chaplin is an author, journalist and playwright. She first visited the city of Gerona, in Spain, when she was 12 and it was then that she learnt about the Grail mystery. Throughout her life she has maintained an active interest in the history of the Grail and has lived in Spain and France. She has published more than 36 books, plays and short stories.

Arab Spring Dreams Jul 04 2020 From a gay man secretly mourning his lover's suicide in Morocco to a young woman denied schooling because of religious discrimination in Iran, Arab Spring Dreams spotlights some of the Middle East's most outspoken young dissidents. The essayists cover a wide range of experiences, including premarital sex, the lack of educational opportunities, teenage pregnancy, marriage, and the fight for political freedom. They also highlight how repressive laws and cultural mores snuff out liberty and stifle growth and consider how previous movements - particularly the American civil rights struggle - might be channeled to effect change in their own countries. Beautifully written and profoundly moving, these stories present a decisive call for change at a crucial point in the evolution of the Middle East.

Clayton Williams Dec 21 2021 The native son of a distinguished West Texas family and a 1954 graduate of Texas A&M whose career and personal pursuits have ranged from farmer to insurance salesman, wildcatter, pipeline entrepreneur, rancher, banker, real estate mogul, big game hunter, conservationist, philanthropist, front-running gubernatorial candidate, and oil tycoon, Clayton Williams Jr. is by all measures one of a kind. He has repeatedly been on the Forbes list of the wealthiest Americans, yet more than once Clayton Williams has also been on the verge of bankruptcy.

authorized biography captures the dimensions of his fascinating life: his determined work ethic; his honesty; his passionate interests and rough-hewn style; his devotion to wife and constant care for Modesta and family; his all-in wildcatter bets and integrity-above-all payoff of debts; his paterfamilias gaffes in the "wildest, woolliest Texas governor's race ever" and their spotlighted consequences for the state and nation; and running through it all, both unrestrained celebrations and knees-on-the-ground repentance. His many notable successes, his most admirable traits, as well as his most outrageous flaws are all portrayed in this book, often in Claytie's own words or in the extensive comments, revealing anecdotes, and first-person accounts of others, supplemented by family business documents, as well as contemporary journalistic records. This book tells it all, revealing a distinctive maverick who has left his boot prints all across Texas for 75 years.

Extraordinary Popular Delusions and the Madness of Crowds 2021 Delusions are exposed to reveal the following: The Nazi salute was performed by public officials in the USA from 1892 to 1942. What happened to old photographs and films of the American Nazi salute performed by state, county, and local officials? Those photos and films are rare because people don't want to see the truth about the government's past. Public officials in the USA who preceded the German (Hitler) and the Italian socialist (Mussolini) were sources for the stiff-armed salute (and robotic chanting) in those countries and other foreign countries. Explore how the "ancient Roman salute" myth originated from the city of Rome in the state of New York (not Italy), Francis Bellamy's hometown. Learn about Mussolini's strange gift to the city of Rome, NY: a statue of two human infants suckling on a female wolf. That statue remains on display in Rome, NY. See how Boy Scouts and Girl Scouts helped spread the Nazi salute and the swastika to Germany and elsewhere. Discover how Stalin was forced to involuntarily join the allies during WWII. Learn how the word "fascism" related to the word "faggot." Discover how the military salute was the origin of the Nazi salute and why the Pledge of Allegiance would not be performed by anyone today (other than kooks) if it were taught in school. Find out who you are, what you are, and how you got to be that way. Learn who you should blame: your teacher (and the government's schools). Debunk myths about Adolf Hitler, Joseph Stalin, Vladimir Lenin, Mao Zedong, Francis Bellamy (and his cousin Edward Bellamy), Fascism, Unionism, Socialism, genocide, swastikas, the Pledge of Allegiance to the flag, the cliché "under God," Christianity, modern crusades, ancient Rome, military socialism, Sovietology, crony socialism, and the military-socialism complex. "Extraordinary Popular Delusions and the Madness of Crowds Today" is long awaited. There is an inferior book from 1841 by author Charles Mackay that is outdated. Mackay's book contains nothing on the 20th century, nor the 21st century nor the last half of the 19th century. This book provides the latest information. The author brings the newest delusions and madness that are here for you today! So, let your freak flag fly. The Pointer Institute proudly presents another news-breaking volume from Ian Tinny and the Dead Writers Club (DWC). Much of the madness is illuminated from the work of the historian Dr. Robert Curry. Tinny is a philologist and a forensic fraud analyst. Tinny's work led to the arrest, trial, conviction, and imprisonment of America's Dumbest Criminals (and the foreclosure of their homes along with victim restitution liens, and criminal forfeiture judgments, in amounts totaling millions of dollars). Tinny collaborates with the legendary Dead Writer's Club ("DWC" -an author's group) to assist the Pointer Institute for Media Studies to provide remedial education to journalists about history, economics, and government.

All Things Must Fight to Live 16 2021 In All Things Must Fight to Live, Bryan Mealer takes readers on a harrowing two-thousand mile journey through Congo, where gun-toting militia soldiers and kill with impunity. Amidst burnt-out battlefields where armies still wrestle for control, int

dark corners of the forests, and along the high savanna, where thousands have been slaughtered quickly forgotten, Mealer searches for signs that Africa's most troubled state will soon rise from the ashes. At once illuminating and startling, *All Things Must Fight to Live* is a searing portrait of an emerging country facing unimaginable upheaval and almost impossible odds, as well as an unflinching look at the darkness that continues to exist in the hearts of men. It is non-fiction at its finest—powerful, moving, necessary.

Texas Blood May 26 2022 In the tradition of Ian Frazier's *Great Plains*, and as vivid as the work of Cormac McCarthy, an intoxicating, singularly illuminating history of the Texas borderlands from their settlement through seven generations of Roger D. Hodge's ranching family. What brought the author's family to Texas? What is it about Texas that for centuries has exerted a powerful allure on adventurers and scoundrels, dreamers and desperate souls, outlaws and outliers? In search of answers, Hodge travels across his home state—which he loves and hates in shifting measure—the wanderings of his ancestors into forgotten histories along vanished roads. Here is an unsentimental, keenly insightful attempt to grapple with all that makes Texas so magical, puny, and polarizing. Here is a spellbindingly evocative portrait of the borderlands—with its brutal history of colonization, conquest, and genocide; where stories of death and drugs and desperation play out daily. And here is a contemplation of what it means that the ranching industry that has sustained families like Hodge's for almost two centuries is quickly fading away, taking with it a part of a larger, deep-rooted cultural inheritance. A wholly original fusion of memoir and history—as piecemeal as it is elegiac—*Texas Blood* is a triumph.

Book of Night Apr 12 2021 "A delicious, dark, adrenaline rush of a book. I'm already dying to see Charlie Hall's next con." - New York Times bestselling author, Alix E. Harrow #1 New York Times bestselling author Holly Black makes her stunning adult debut with *Book of Night*, a modern day fantasy of betrayals, secret societies, and a dissolute thief of shadows, in the vein of Neil Gaiman and Erin Morgenstern. Charlie Hall has never found a lock she couldn't pick, a book she couldn't steal, or a bad decision she wouldn't make. She's spent half her life working for gloamists, magicians who manipulate shadows to peer into locked rooms, strangle people in their beds, or worse. Gloamists guard their secrets greedily, creating an underground economy of grimoires. And to rob their grimoires, they need Charlie Hall. Now, she's trying to distance herself from past mistakes, but getting out isn't easy. Bartending at a dive, she's still entirely too close to the corrupt underworld of the Berkshires. Not to mention that her sister Posey is desperate for magic, and that Charlie's shadowless, and possibly soulless, boyfriend has been hiding things from her. When a terrible secret from her past returns, Charlie descends into a maelstrom of murder and lies. Determined to survive, she's up against a cast of doppelgangers, mercurial billionaires, gloamists, and the people she considers the best in the world—all trying to steal a secret that will give them vast and terrible power. The Iron Orchard Sep 29 2022 Originally published in 1966 under the pen name Tom Pendleton, The Iron Orchard garnered a cult following for its authentic representation of the people and business of the Texas and American Southwest oil fields. Now available again in a new edition, Iron Orchard tells the story of a young Texan, Jim McNeely, who is desperate to make a name for himself in the oil fields of Texas. Told from the inside by a man who knew the oil fields intimately, it is a vibrant, brutal story of the men who labored, sweated, lusted, and gambled their money away to pump oil out of the earth. It is the adventure of violent men among other violent men. And a story of perseverance and love in the midst of one of America's most dramatic industries. The Iron Orchard is magnificent and memorable reading. The Iron Orchard was a cowinner of the 1967 Institute of Letters Jesse H. Jones Award for Best Work of Fiction along with Larry McMurtry's Last Picture Show. The Iron Orchard film premiered at the 2018 Dallas International Film Festival.

Muck City Sep 05 2020 In a town deep in the Florida Everglades, where high school football is the only escape, a haunted quarterback, a returning hero, and a scholar struggle against terrible odds. The loamy black "muck" that surrounds Belle Glade, Florida once built an empire for Big Sugar that provided much of the nation's vegetables, often on the backs of roving, destitute migrants. Many of these were children who honed their skills along the field rows and started one of the most successful football programs in America. Belle Glade's high school team, the Glades Central Raiders, has sent an extraordinary number of players to the National Football League – 27 since 1985, with five of those drafted in the first round. The industry that gave rise to the town and its team also spawned chronic poverty, teeming migrant ghettos, and violence that cripples futures before they can even begin. Muck City tells the story of quarterback Mario Rowley, whose dream is to win a championship for his deceased parents and quiet the ghosts that haunt him; head coach Jessie Hester, the first NFL star, who returns home to "win kids, not championships"; and Jonteria Williams, who must build her dream of becoming a doctor in one of the poorest high schools in the nation. Like Mario, being a Raider is a one-shot window for escape and a college education. Without football, Jonteria and the rest must make it on brains and fortitude alone. For the coach, good intentions must battle a town's obsession to win above all else. Beyond the Friday night lights, this book is an engrossing portrait of a community mired in a shameful past and uncertain future, but with the will to survive, win, and escape to a better life.

The Red Room Aug 17 2021 Arvid Falk is a young and idealistic government worker who always

wanted to be a poet. When a journalist writes a newspaper exposé based on Arvid's stories a useless government department, Arvid is fired immediately. Starting afresh he sets out to explore every corner of the Swedish society, and the hypocrisy and corruption he finds shocks him. When the streets of Stockholm will never be the same again once this novel gets under your skin. My first modern Swedish novel, 'The Red Room' (1879) is wonderfully insightful and ironic. The Charles Dickens influence is undeniable and Strindberg's writing has been rightfully compared to that of Henrik Ibsen as well. August Strindberg (1849-1912) was a world-famous Swedish playwright who, in Sweden, was known for his novels, poems, essays and paintings as well. Along with Henrik Ibsen, Hans Christian Andersen, Søren Kierkegaard and Selma Lagerlöf he is one of the all-time most influential authors of Scandinavia.

Holding Back The Tears Aug 05 2020 This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But one day she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother. Her role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's story with each offering a part of their own belief to try and console her in her misery - except that she turns down on any advice or support offered. Rosie is convinced that she can cope with her loss on her own "e;needs no help from anyone, thank you"e; - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Even when moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

The God Chair Sep 17 2021 Meet Katie Ball. She's ten years old and definitely going through a rough patch. School is stressful and the future of her family's farm is uncertain. But all that changes when Katie meets Lady Catherine and her rather mysterious chair. That's when she discovers she's braver than she thought she was, and that with a little friendship and a lot of divine inspiration real life is just as exciting as any storybook adventure. Originally a Brit, Caroline Cienki has fond memories of vacations spent in the rural North of England with her grandparents, where she learned to love the countryside. She now lives in the US, and calls Texas her home along with her husband, two children and three fun-loving doggies. Among her current passions are home-making, travel and spiritual formation. The God Chair is her first children's book.
