Two Wedding Crashers Apr 21 2022 A wild, sexy, and heart-filled adventure of two strangers who meet in the most unlikely of places. This laugh out loud and heartwarming romantic comedy from bestselling author Meghan Quinn will keep you on the edge of your feet as you fall in love with the second book in the *Dating by Numbers* Series. ****CAN BE READ AS A STANDALONE**** I don't know what love is anymore. Well, that's not entirely true, but I'm going to tell you a little secret: I've lost the spark. You know the kind of spark I'm talking about? Where butterflies take flight in your stomach from two hands innocently colliding. Or catching your breath when you first meet someone attractive. Yeah, that spark. Except I haven't felt that feeling in forever; there is nothing left inside of me. Normally, this wouldn't be a problem--but I'm a writer on a serious deadline, and my editor is breathing down my neck for a romantic, Nicholas Sparks type love story. No pressure, right? That's how I find myself flying across the country to crash a wedding in the name of research, dress and heels stuffed into my small suitcase. It should be the easiest book research ever. Drinking some free champagne, basking in the love of two strangers, and tapping into my romantic side. That'll be a breeze. I'm a pro. I can handle this. Until I mistakenly end up in the wrong hotel room, naked as the day I was born, with the sexiest human I have ever met staring me down, wondering what I'm doing taking a shower in his bathroom. I don't think calling it "research" will get me out of this mess. But it will make for one hell of a story.

My new bosses. Three gorgeous, possessive, over-the-top alphas that can undress me with one single glance. Ian. Head of Human Resources. Tall. Solidly built. Seductive. Ryland. C.O.O. Dominant, demanding and intense. A total monster. And Carson. C.E.O. Mysterious, powerful, and drop-dead gorgeous. Before I get the editor position that I truly want, I'd need to report to all three of them. My jaw almost dropped when they told me that they all want me. So I accept their offer to go on a date with each of them before I pick only one. But I can't make up my mind. The more connections I have with each man, the more addicted I get. I want not just one, but three of them. Now they want me in their office for a very private meeting, and tell me that everything that's going to happen would have to remain strictly confidential. And I have a feeling that this is about to get hot, dirty, and a whole lot messier. Readers' reviews: "A story full of hotness. The girl is hot and the men are hotter!" "Three bosses, three hot men, so different yet working so well together.
