The Automobile Club of Egypt Apr 09 2021 In British-occupied Egypt, on the eve of the 1952 revolution, respected landowner Abd el-Aziz Gaafar has fallen on hard times. Bankrupt, he moves his family to Cairo and takes a menial job at the Automobile Club, a luxurious lodge for its European members, where Egyptians appear only as fearful servants. When Abd el-Aziz's pride gets the better of him and he stands up for himself, he is subjected to a corporal punishment that ultimately kills him—leaving two of his sons obliged to work in the Club. As the nation teeters on the brink of change, both servants and masters are subsumed by social upheaval, and the Egyptians of the Automobile Club face a choice: to live safely but without dignity as servants, or to risk everything and fight for their rights. Exuberant and powerfully moving, *The Automobile Club of Egypt* is an essential work of social criticism from one of the Arab world's greatest literary voices.

Auto Racing Comes of Age Sep 21 2019 The first quarter of the 20th century was a time of dramatic change in auto racing, marked by

the move from the horseless carriage to the supercharged Grand Prix racer, from the gentleman driver to the well-publicized professional, and from the dusty road course to the autodrome. This history of the evolution of European and American auto racing from 1900 to 1925 examines transatlantic influences, early dirt track racing, and the birth of the twin-cam engine and the straight-eight. It also explores the origins of the Bennett and Vanderbilt races, the early career of “America’s Speed King” Barney Oldfield, the rise of the speedway specials from Marmon, Mercer, Stutz and Duesenberg, and developments from Peugeot, Delage, Ballot, Fiat, and Bugatti. This informative work provides welcome insight into a defining period in motorsports.

El Automóvil Club de Egipto Aug 25 2022 El escritor egipcio de más éxito regresa con una formidable novela ambientada en El Cairo antes de la caída de la monarquía y la descolonización. A finales de los años cuarenta del siglo pasado, los pachás y los miembros de la monarquía coquetean con los diplomáticos y la aristocracia europea bajo las aspas de los ventiladores del Automóvil Club de Egipto. La extravagancia y la magnificencia de sus miembros inunda los lujosos salones y, mientras el despótico rey de Egipto y Sudán honra con su presencia la mesa de póquer, la plantilla de sirvientas y empleados del club vive atemorizada bajo la autoridad inflexible del ayuda de cámara del monarca. Entre los trabajadores se encuentra Abdelassís Hamam, un burgués arruinado del Alto Egipto que llegó a El Cairo con la esperanza de asegurar la educación de sus hijos. Al igual que sus compañeros, ha soportado hasta ahora el despotismo y la injusticia del orden establecido sin ser consciente de que una minoría ha empezado a plantar la semilla de la insurgencia dentro y fuera de las paredes del club. Serán los hijos de Abselassís quienes deberán luchar por su futuro y tomar partido en un país donde la opresión británica tiene los días contados. La crítica ha dicho... «En El Automóvil Club de Egipto el intelectual más icónico de la revolución egipcia aborda, precisamente, una rebelión.» El País «Narrador talentoso, el autor nos muestra una galería de personajes fascinantes y complejos.» Paris Match «Extraordinario, profuso, democrático.» Arte

Spaniards and Nazi Germany Aug 21 2019 Only the indecisiveness of Spanish dictator Franco and diplomatic mistakes by the Nazis, argues Bowed (history, Ouachita Baptist U., Arkadelphia, Arkansas) prevented the Nazi supporters in the Spanish fascist party from bringing Spain into World War II on the side of the Axis. Still, he points out, Spaniards helped Germany by serving in its armies, working in its factories, and promoting its ideas to other nations. The study began as a doctoral dissertation for Northwestern University. Annotation copyrighted by Book News Inc., Portland, OR

Bernie Ecclestone - King of Sport Feb 07 2021 For nearly forty years he has ruthlessly exploited and dominated Formula One motor racing, and now he is setting his sights further afield...This is the true story of Bernie Ecclestone, the street-smart, working-class kid who masterminded the transformation of Formula One from an amateur sport of the fifties into a global billion dollar industry of the

21st century. Now, with his GBP2.5bn fortune, influence and power, Bernie has moved into the world of football with Renault F1 boss Flavio Briatore to turn Queen's Park Rangers, a struggling west London club, into a serious rival to the capital's glamour club, Chelsea. To many he was the saviour of Formula One, but there are also those who came into conflict with his methods. They have a different story to tell. Bernie Ecclesone, King of Sport reveals the unbridled avarice, callousness and corruption behind the hype of Formula One - and the warts-and-all character of the man who is now making his mark on the beautiful game. This is the true, astonishing story of the single most powerful man in the world of sport today.
